Executive Summary

Purpose and Methodology

Purpose

ETC Institute administered a Community Opinion and Interest Survey on behalf of Si View Metro Parks in North Bend, Washington. This assessment was conducted to be used in the development of a Recreation Program Plan for the Si View Metro Parks District (MPD). Data gathered from this survey will be used by leaders to define strategies, services, and plan the future direction of recreation programming that meets the needs of the community.

Methodology

ETC Institute mailed a survey packet to a random sample of households in the Si View Metro Parks District of North Bend, WA. Each survey packet contained a cover letter, a copy of the survey, and a postage-paid return envelope. Residents who received the survey were given the option of returning the survey by mail or completing it online at www.SiViewParksSurvey.org.

Approximately ten days after the surveys were mailed, ETC Institute sent e-mails to the households that received the survey to encourage participation. The e-mails contained a link to the online version of the survey to make it simple for residents to complete. To prevent people who were not residents of the Parks District from participating, everyone who completed the survey online were required to enter their home address prior to submitting the survey. ETC Institute then matched the addresses that were entered online with the addresses that were originally selected for the random sample. If the address from a survey completed online did not match one of the addresses selected for the sample, the online survey was not counted.

The goal was to obtain 375 completed surveys from Parks District residents. A total of 405 surveys were collected.

The overall results for a sample of 405 surveys have a precision of at least +/- 4.7% at the 95% level of confidence.

This report contains:

- Charts showing the overall results of the survey (Section 1)
- Benchmark Analysis comparing Si View MPD's results to national results (Section 2)
- Priority Investment Ratings (PIR) Analysis that identifies priorities for recreation programs in the community (Section 3)
- Tabular Data showing the overall results for all questions on the survey (Section 4)
- A copy of the survey instrument (Section 5)

Key Findings

- 85.5% of residents surveyed indicated Si View MPD is a very valuable/somewhat valuable contributor to making living in Snoqualmie Valley fun.
- 68.4% of residents indicated, before the COVID-19 Pandemic, they typically participated in recreation programs (+36.9% above the National Average of 31.5%). During the next year, 50.9% of these respondents anticipate participating in programs the same amount as they did before the COVID-19 Pandemic; 13.1% indicated they will participate more, 25.5% will participate less, and 10.5% are unsure.
- Residents' two most preferred ways of learning about Si View MPD programs and activities are by the Seasonal District Program Guide (73.9%) and the Si View Metro Parks Website (61.7%).
- A quarter of households indicated the reason that currently prevents them from using Si View MPD facilities, parks, or programs more often are the program times are not convenient (24.5%) and they have no time to participate (24.7%).
- The organizations used, for indoor and outdoor recreation activities, by the highest percentage of households are Washington State parks (61.7%) and Si View Metro parks (60.7%).
- When respondents were asked why they use organizations other than Si View MPD for indoor/outdoor recreation activities; 50.9% indicated the reason was because the program was not offered by Si View MPD. The programs households indicated they participated in through the other organizations were: group fitness/wellness (27.7%), outdoor recreation programs (27.7%), and aquatics (25.7%).
- 55.8% of households would be interested in Si View MPD offering programs and activities on weekday evenings (5pm-8pm) and 43.2% would be interested in programs and activities on weekend mornings (8am-noon).

The analysis of residents' unmet needs, importance of, and priority investments for recreation programs, as well as additional findings, are on the following pages.

Program and Activity Needs and Priorities

Recreation Program Needs. Respondents were asked to identify if their household had a need for 28 recreation programs and rate how well their needs for each were currently being met. Based on this analysis, ETC Institute was able to estimate the number of households in the community that had the greatest “unmet” need for various programs. The four recreation programs with the highest percentage of estimated households whose needs are being moderately to not met are listed below.

- Adult programs (18 years or older) – 1,664 households (42.8%)
- Enrichment/special interest programs – 1,565 households (40.2%)
- Outdoor water recreation – 1,554 households (40.0%)
- Fitness and wellness programs – 1,540 households (39.6%)

The estimated number of households that have unmet needs for each of the 28 recreation programs that were assessed is shown in Figure 1 below.

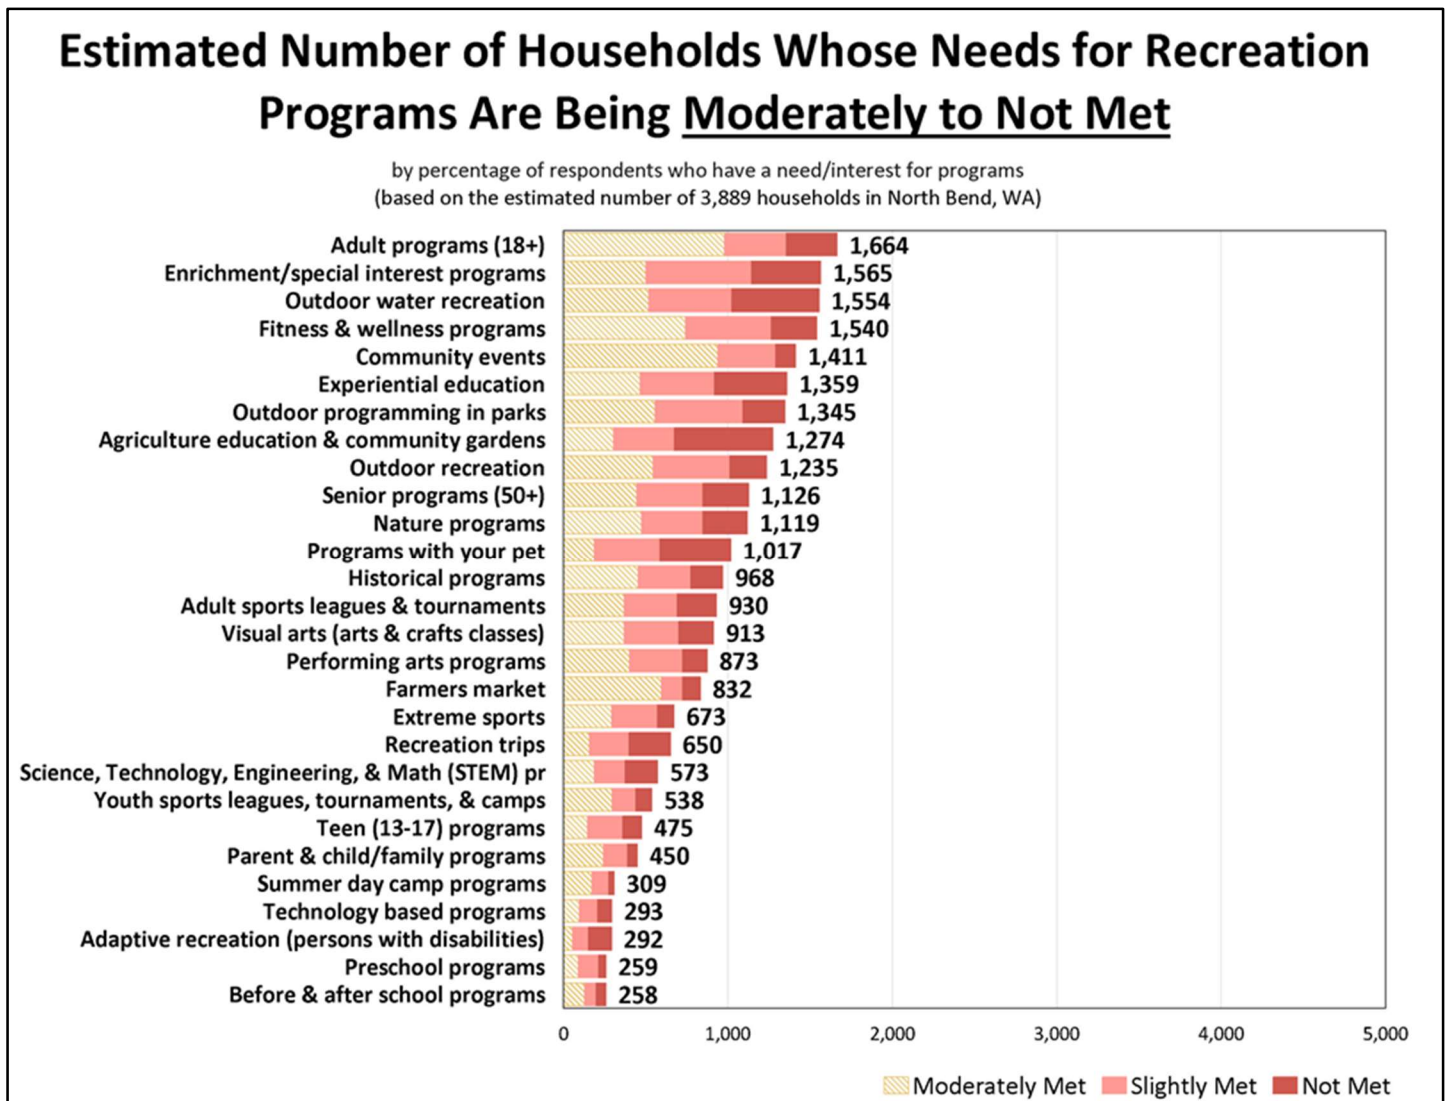

Figure 1: Estimated Number of Households with Unmet Recreation Program Needs

Program and Activity Needs and Priorities

Recreation Program Importance. In addition to assessing the needs for each program, ETC Institute also assessed the importance that residents placed on each one. Based on the sum of respondents’ top four choices, the top four most important recreation programs to residents are:

- farmers market (42.2%),
- community events (32.1%),
- outdoor recreation (22.4%), and
- fitness and wellness programs (16.5%).

The percentage of residents who selected each program as one of their top four choices is depicted in Figure 2 below.

Q14. Recreation Programs That Are Most Important to Households

by percentage of respondents who selected the items as one of their top four choices

Figure 2: Importance of Various Recreation Programs to Households

Program and Activity Needs and Priorities

Priorities for Recreation Program Investments. The Priority Investment Rating (PIR) was developed by ETC Institute to provide organizations with an objective tool for evaluating the priority that should be placed on Parks and Recreation investments. The Priority Investment Rating (PIR) equally weighs (1) the importance that residents place on each facility/amenity/program and (2) how many residents have unmet needs for the facility/amenity/program. Details regarding the methodology for this analysis are provided in Section 3 of the findings report. Based on the Priority Investment Rating (PIR), the following eleven recreation programs, listed below, were rated as high priorities for investment.

Recreation Program	Rating	Recreation Program	Rating	Recreation Program	Rating
Community events	160.9	Outdoor recreation	127.3	Outdoor programming in parks	103.0
Farmers market	150.0	Outdoor water recreation	119.2	Senior programs (50+)	100.3
Adult programs (18+)	135.8	Enrichment/special interest programs	117.0	Agriculture education & community gardens	100.0
Fitness & wellness programs	131.7	Experiential education	105.6		

The Priority Investment Ratings for each recreation program is shown in the chart below (Figure 3).

Figure 3: Priority Investment Ratings (PIR) for Recreation Programs Analyzed

Additional Findings

Program Participation. Residents surveyed were asked if they or members of their household had typically participated in programs offered by Si View Metro Parks District, before the COVID-19 Pandemic, and if so, how many different programs they would typically participate in.

- 68.4% indicated before the COVID-19 Pandemic, they or other members of their household participated in programs offered by Si View MPD.
- Of these households, majority (52.7%) participated in 2 to 3 programs, 18.9% in 4 to 6 programs, 17.5% in 1 program, 6.2% in 7 to 10 programs, and 4.7% in 11 or more programs.
- **Ratings.** Most (94.2%) of the participating residents rated the overall quality of Si View MPD programs as excellent or good; 5.4% gave a rating of fair and 0.4% a rating of poor.

Resident Familiarity to Si View MPD Services. Respondents appear to be familiar with what Si View MPD provides to District residents; 11.0% are extremely familiar, 37.8% moderately familiar, 30.3% somewhat familiar, 16.3% slightly familiar, and 4.5% not at all familiar.

Potential Programs, Leagues, Tournaments, and Events. Residents were asked what potential programs, leagues, tournaments, and events they would use that are currently not being fulfilled by Si View MPD. The top five responses were: outdoor safety courses (42.7%), canoeing/kayaking (39.3%), hiking club (37.5%), agriculture/farming education (34.8%), and cultural events (33.6%). Three of ten residents would use the following most often: outdoor safety courses (33.5%), hiking club (31.8%), and canoeing/kayaking (31.2%).

Potential Programming Spaces. Over half (55.1%) of residents indicated they would use soft surface nature trails if they were made available and based on the sum of respondents' top four choices, 42.5% would use soft surface nature trails most often compared to the other potential programming spaces.

Importance of Recreation Services. Top four recreation services that the highest percentage of respondents indicated are very important/important to them are: maintenance of parks (94.0%), quality of recreation programs (89.2%), availability of information about Si View MPD programs, facilities, and parks (86.0%), and quality of trails/pathways (85.0%).

Based on the sum of respondents' top four choices, the recreation services that residents think should receive the most attention from Si View MPD over the next two years, are: maintenance of parks (31.4%), quality of recreation programs (28.2%), number of trails/pathways (27.4%), and the quality of trails/pathways (27.3%).

Satisfaction with Overall Value Received from Si View MPD. Six of ten (64.4%) residents indicated they are either very satisfied or satisfied with the overall value received from Si View MPD; 28.1% are neither satisfied or dissatisfied (neutral), 5.0% dissatisfied, and 2.5% very dissatisfied.

Conclusions

To ensure that the Si View Metro Parks District continues to meet the needs and expectations of the community, ETC Institute recommends that the Park District sustain and/or improve the performance in areas that were identified as “high priorities” by the Priority Investment Rating (PIR). The ratings recreation programs are in Table 1 below.

High Priority Recreation Programs <i>Based on the Priority Investment Ratings</i>	
Recreation Program	Rating
Community events	160.9
Farmers market	150.0
Adult programs (18+)	135.8
Fitness & wellness programs	131.7
Outdoor recreation	127.3
Outdoor water recreation	119.2
Enrichment/special interest programs	117.0
Experiential education	105.6
Outdoor programming in parks	103.0
Senior programs (50+)	100.3
Agriculture education & community gardens	100.0

Table 1: Priorities for Investment for Recreation Programs, Based on the PIR Analysis

Charts and Graphs: Overall Results

Q1. Have you or other members of your household typically participated in any programs offered by Si View MPD (before the COVID-19 Pandemic)?

by percentage of respondents

Q1a. Approximately, how many different programs offered by Si View MPD have you or members of your household typically participated in (before the COVID-19 Pandemic)?

by percentage of respondents who have participated in programs (excluding *don't knows*)

Q1b. How would you rate the overall quality of Si View MPD programs that you or members of your household have typically participated in?

by percentage of respondents who have participated in programs (excluding *don't knows*)

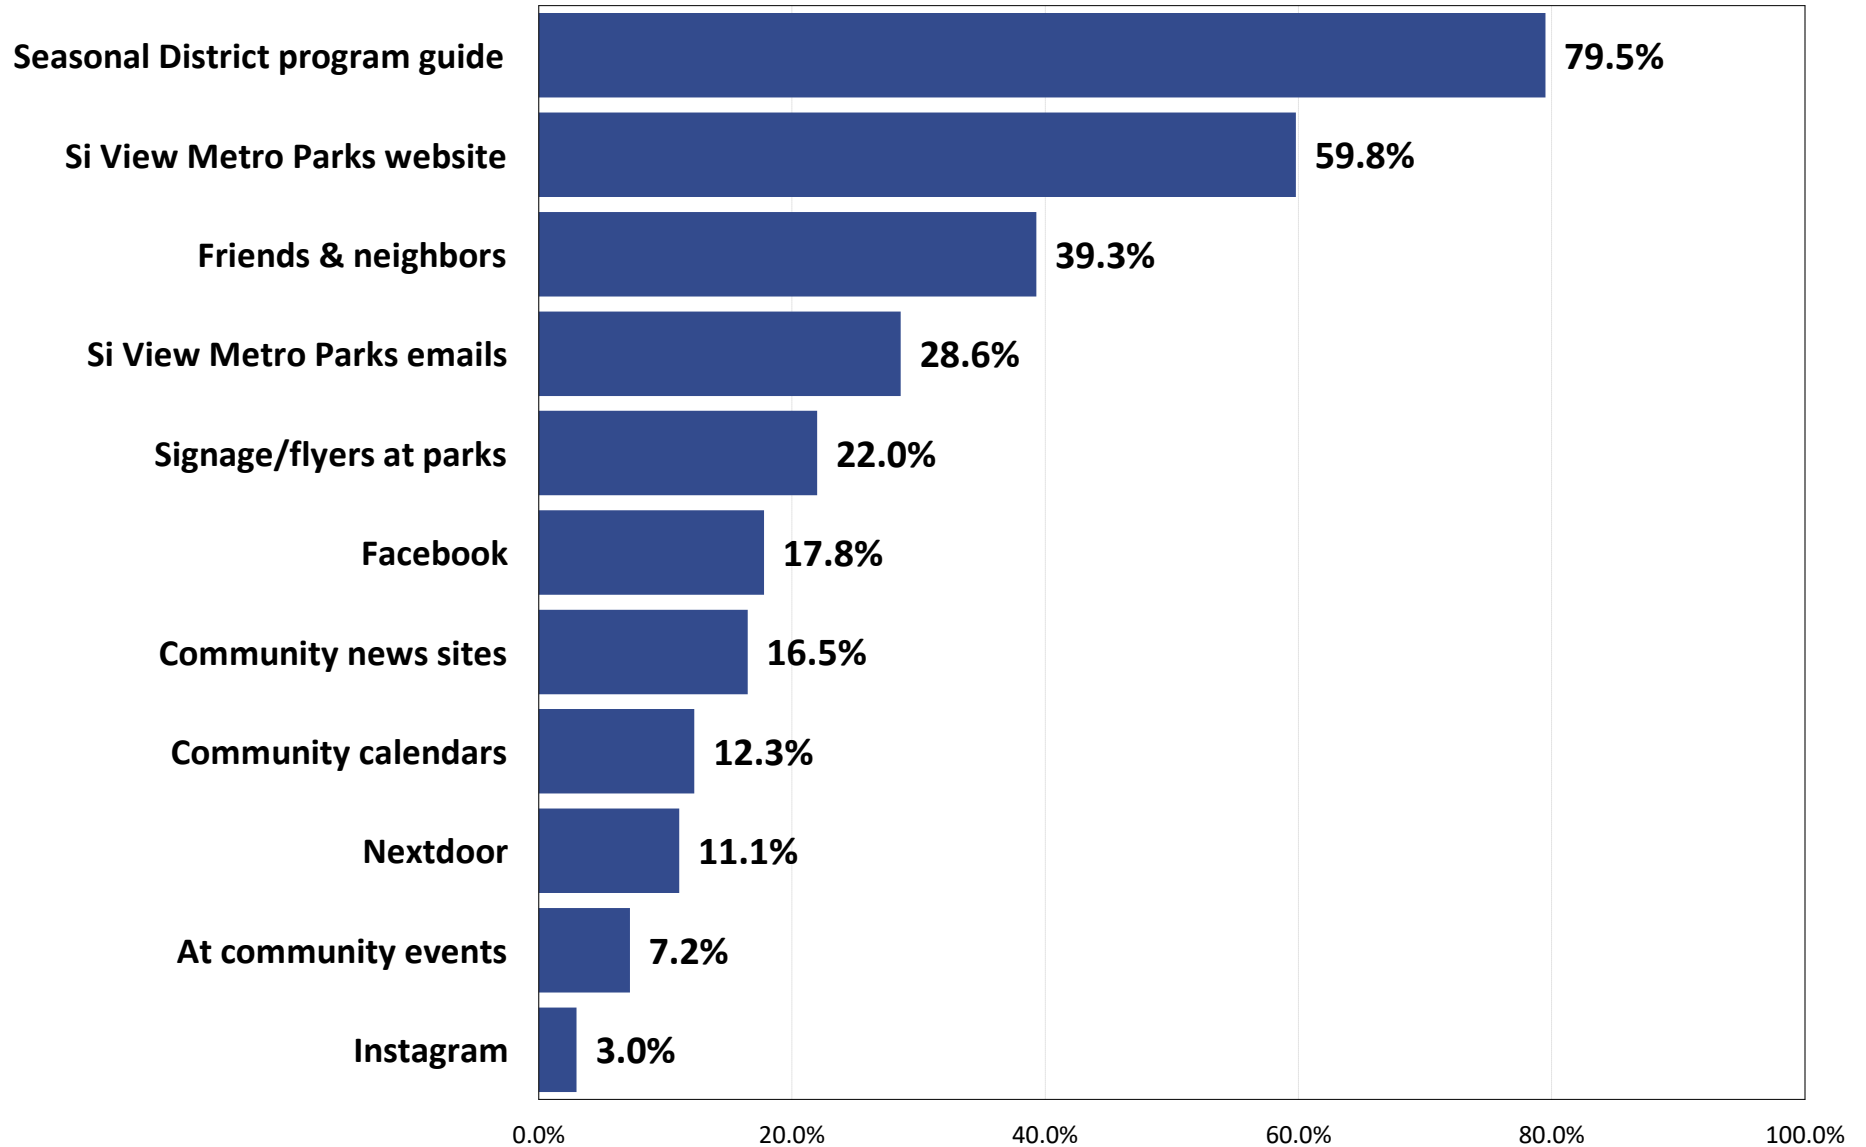

Q1c. Based on you and your household's typical use of Si View MPD programs (before the COVID-19 Pandemic), what would best describe your anticipated participation during the next 12 months?

by percentage of respondents who have participated in programs (excluding *don't knows*)

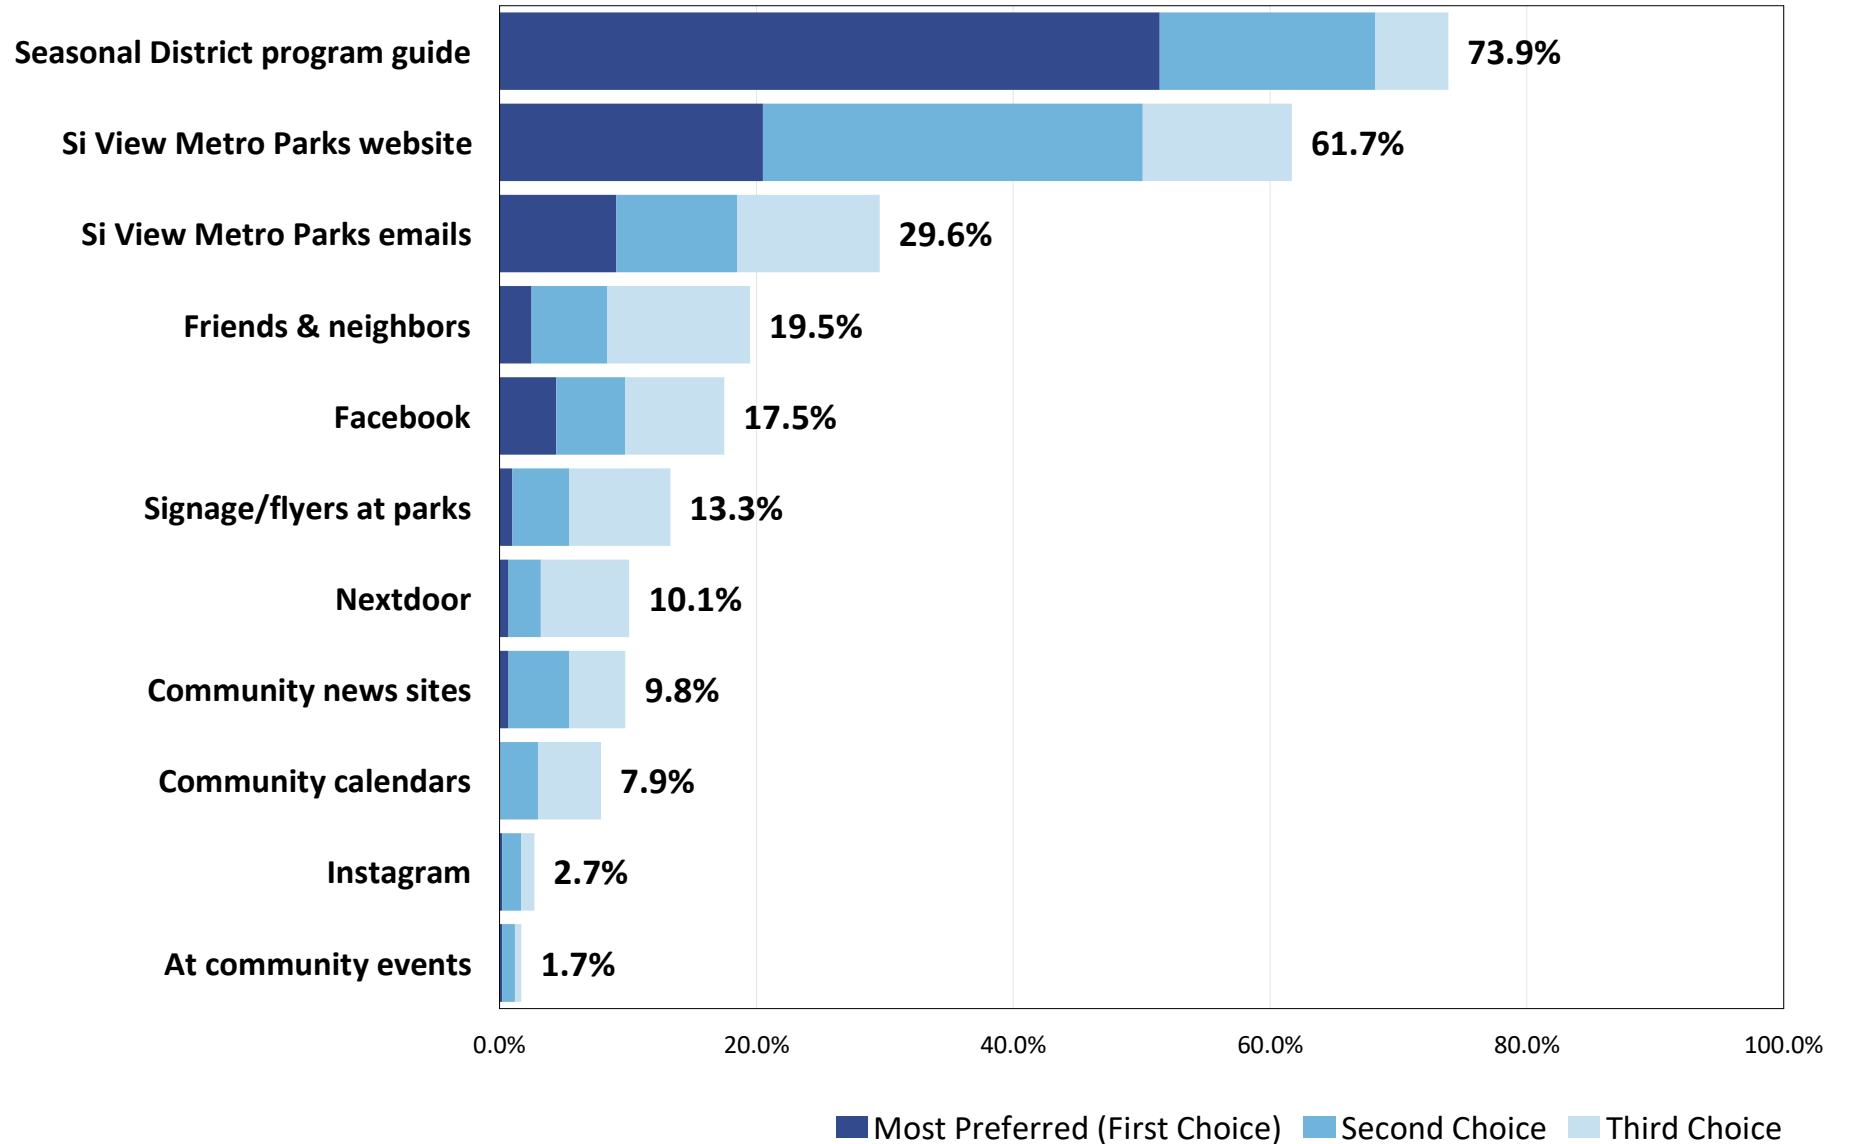

Q2. Households' Methods of Learning About Si View MPD Programs and Activities

by percentage of respondents (multiple choices could be selected)

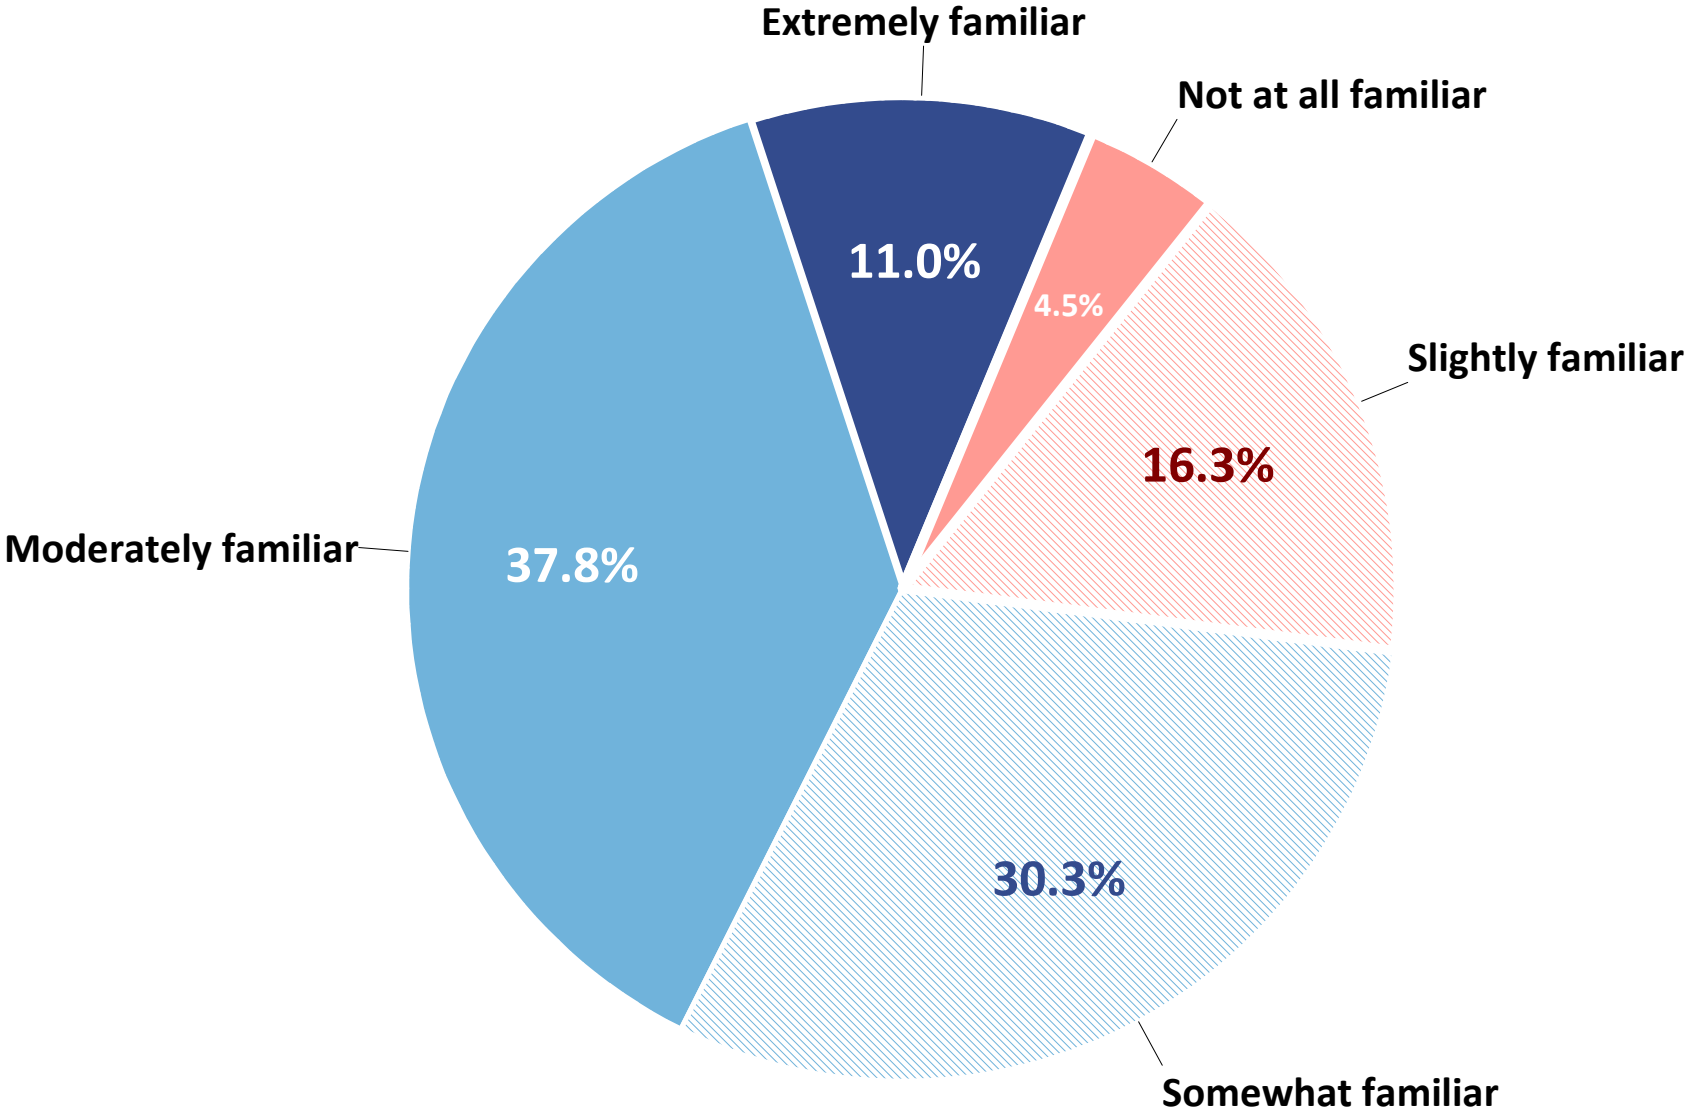

Q3. Households' Most Preferred Methods to Learn About Si View MPD Programs and Activities

by percentage of respondents who selected the items as one of their top three choices

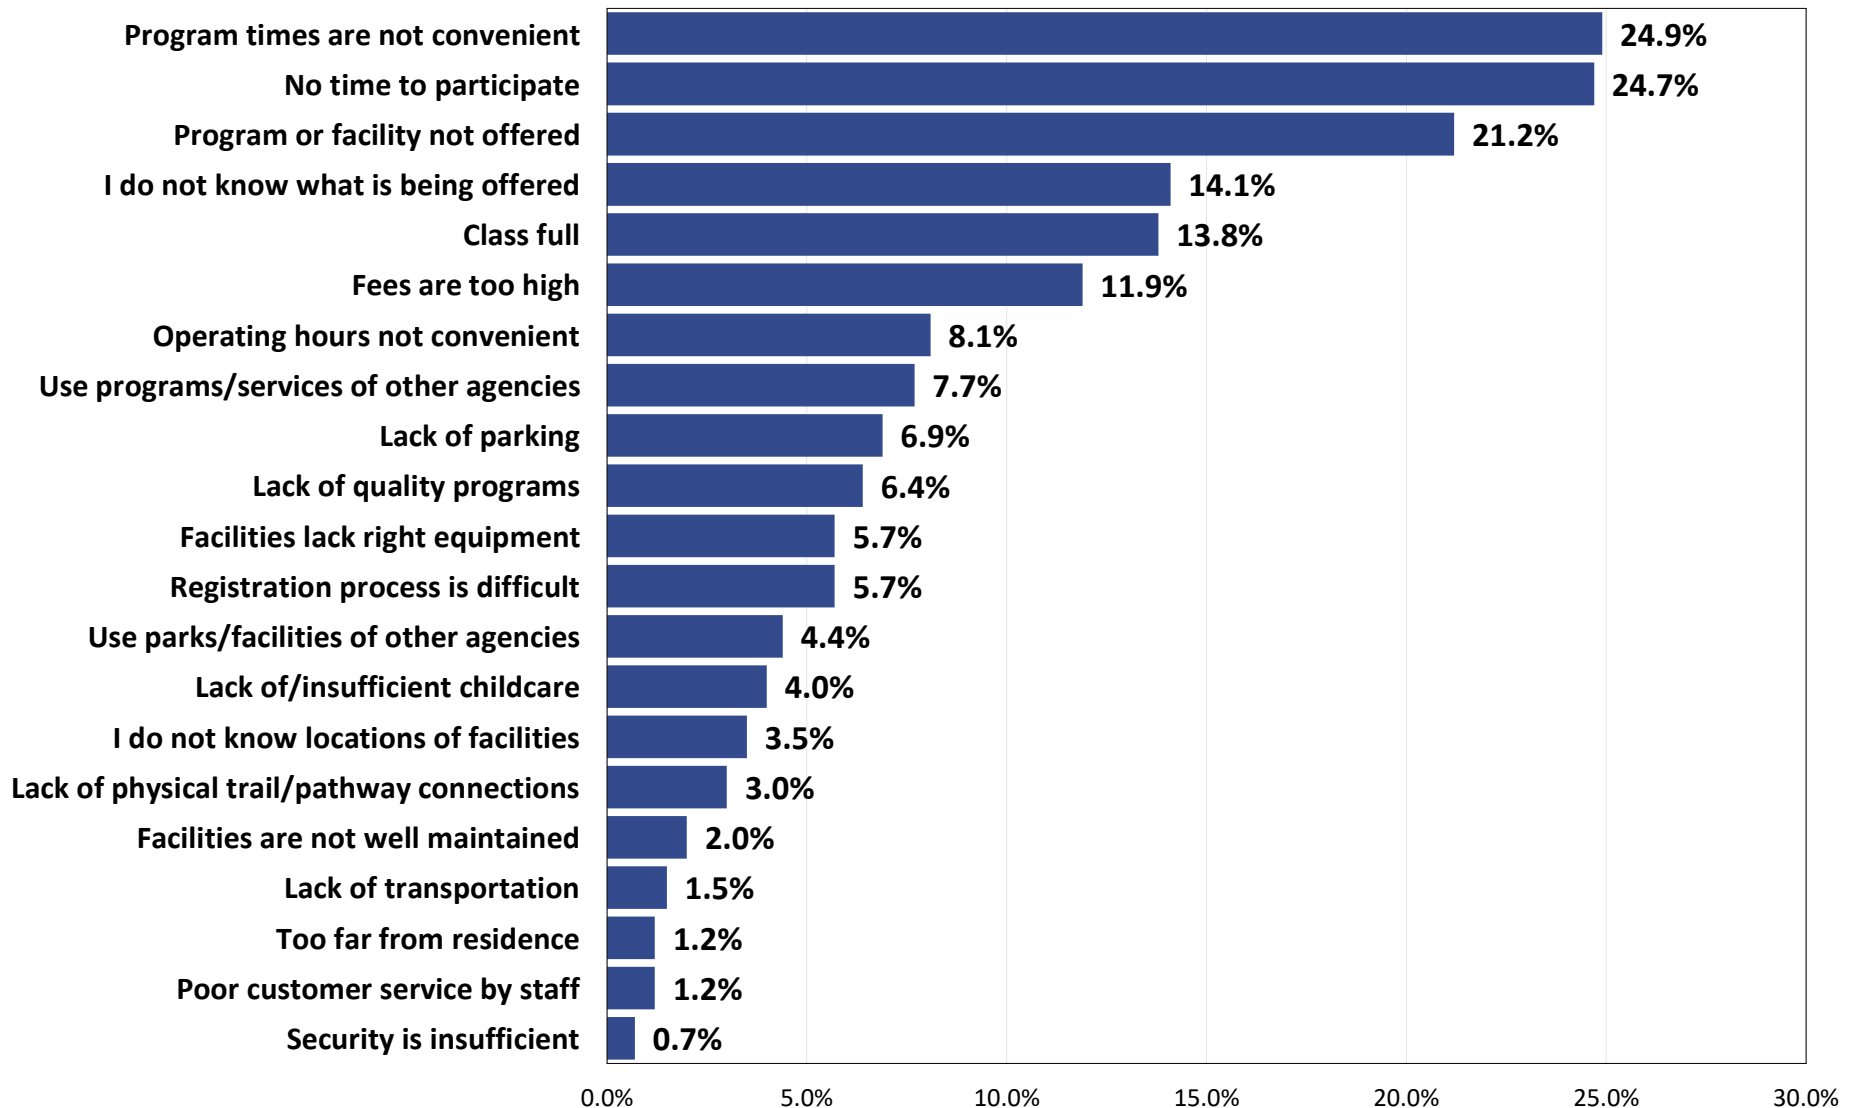

Q4. How familiar would you say you are with what Si View MPD provides to District residents?

by percentage of respondents (excluding *don't knows*)

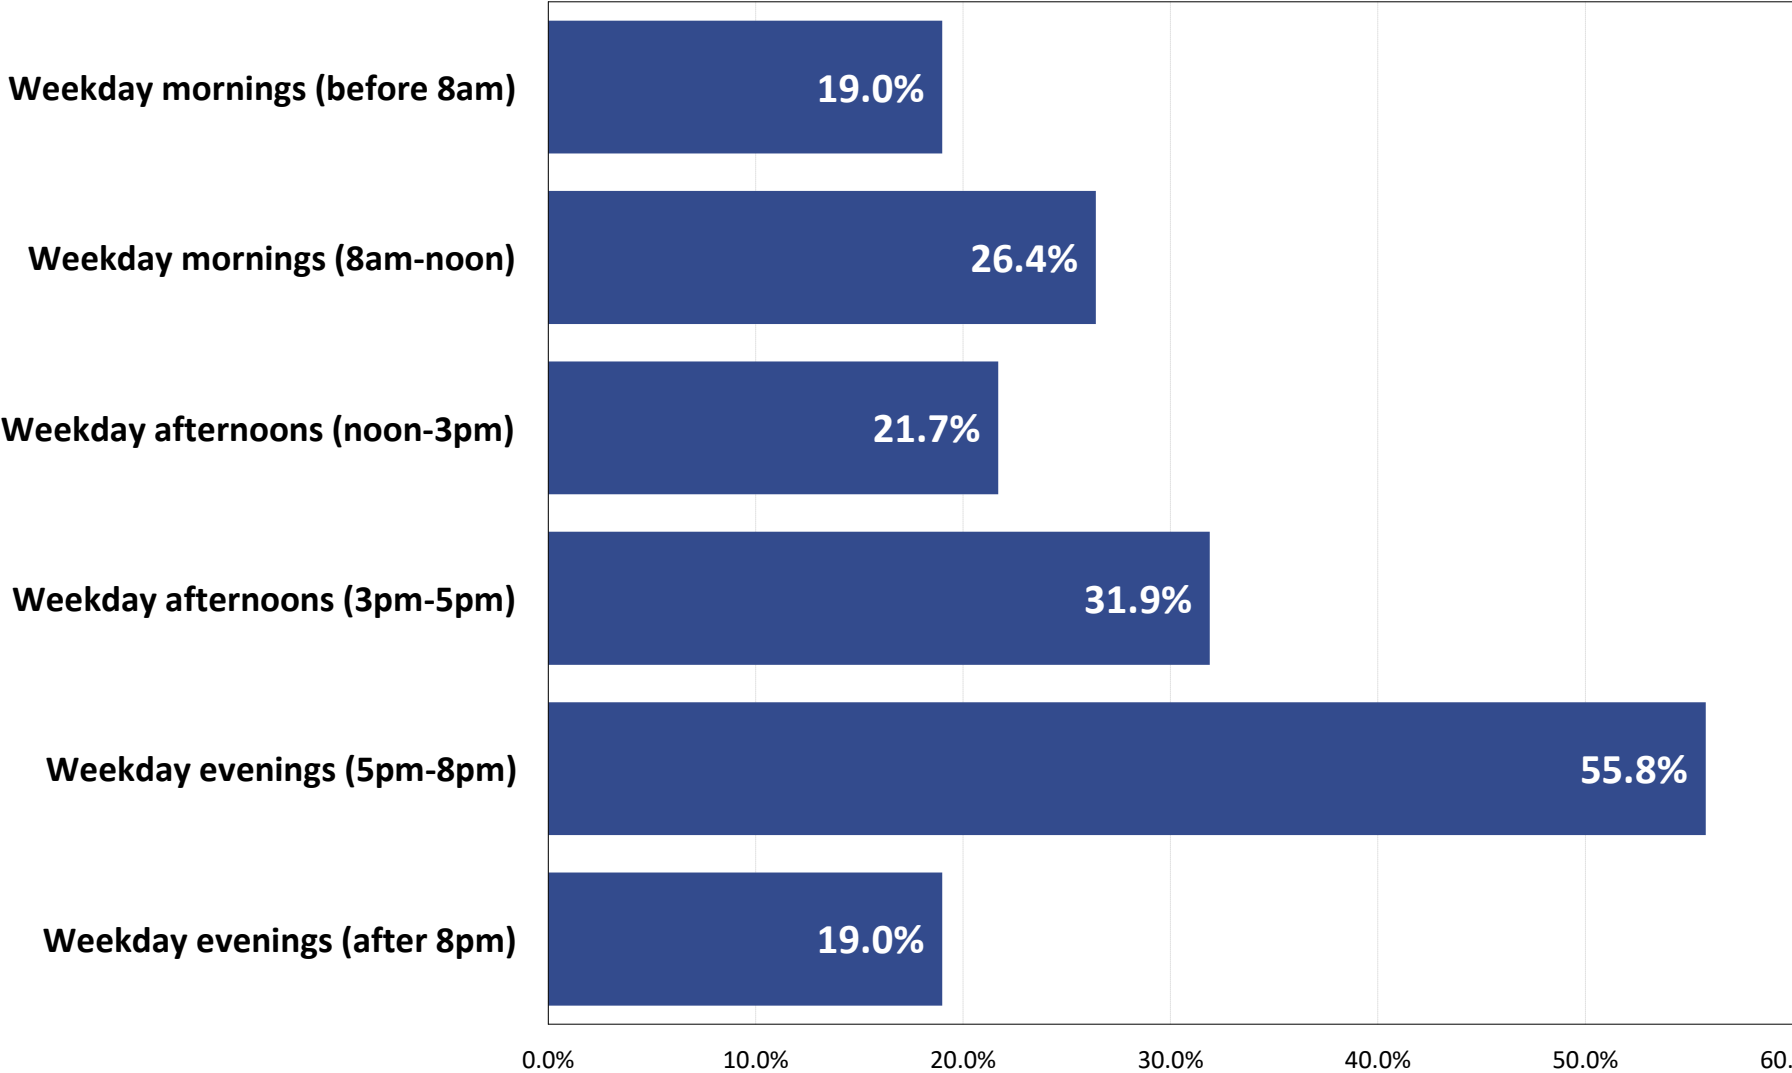

Q5. Reasons That Currently Prevent Households From Using Si View MPD Facilities, Parks, or Programs More Often (Besides the COVID-19 Pandemic)

by percentage of respondents (multiple choices could be selected)

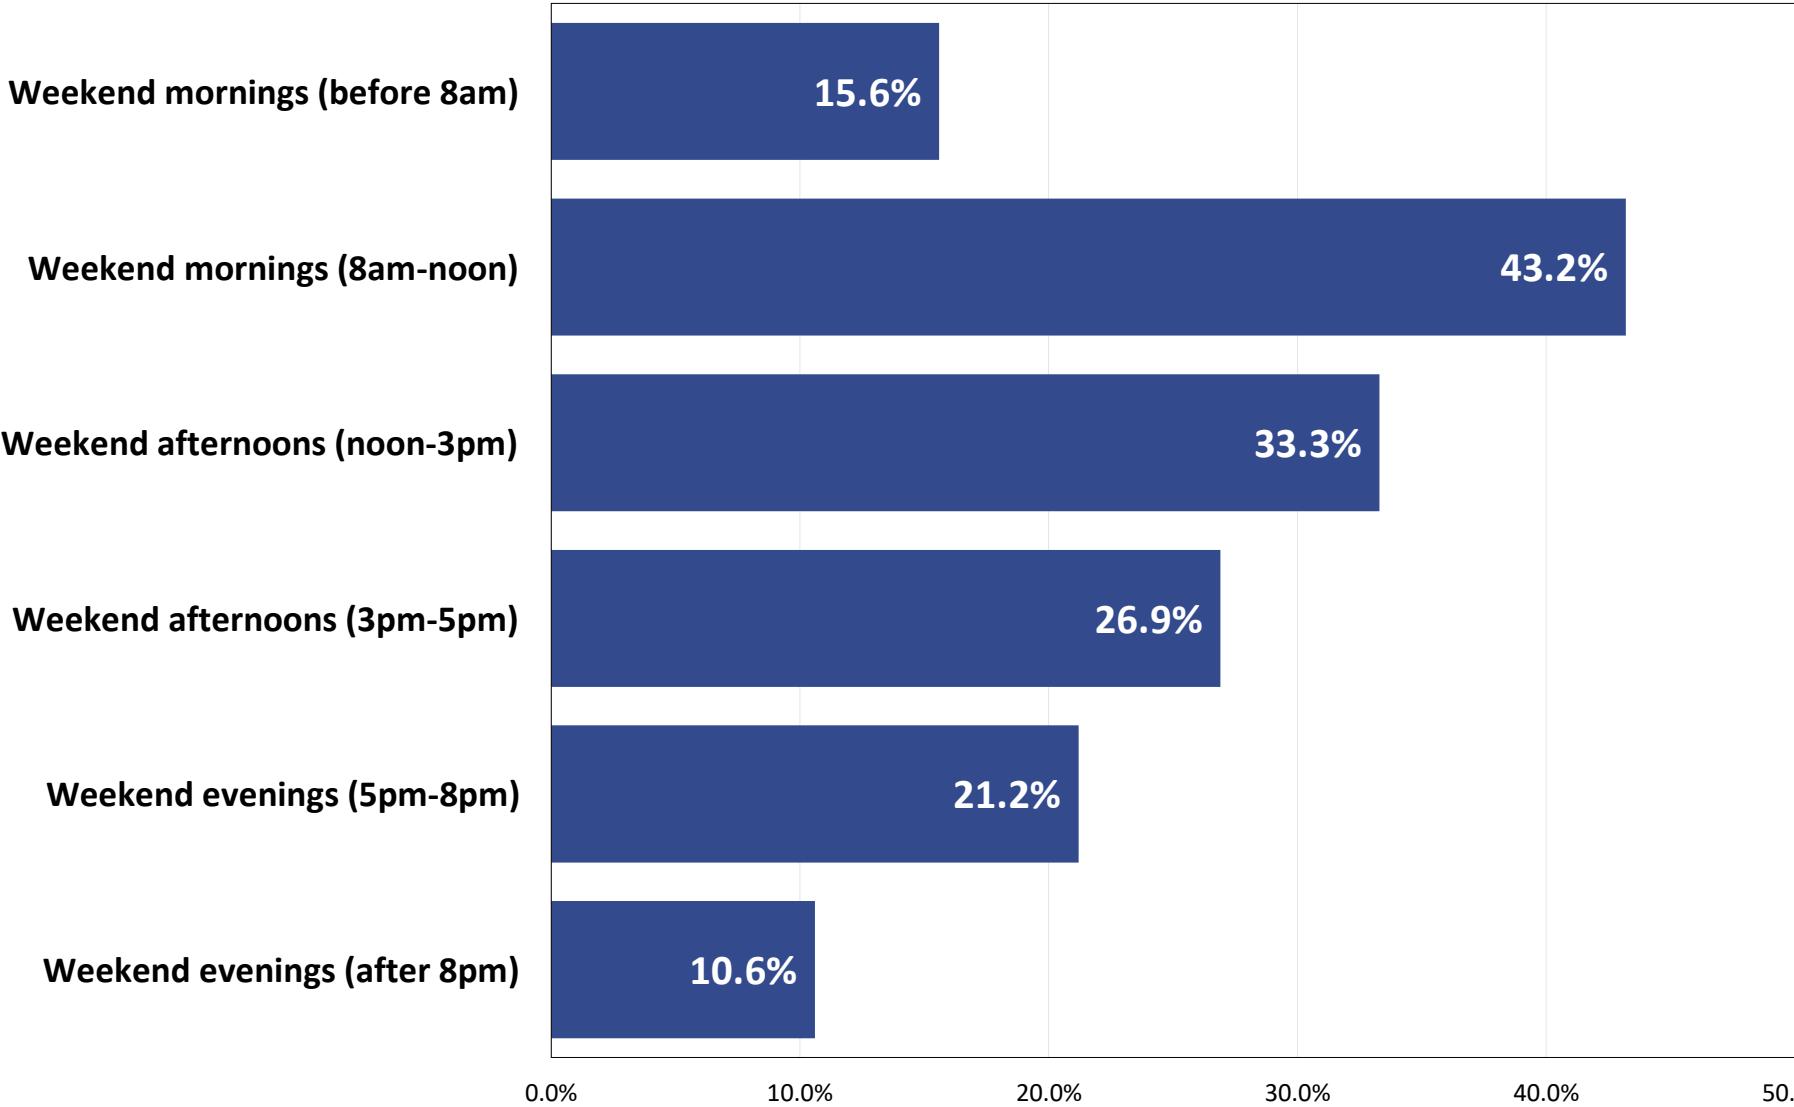

Q6a. Times on Weekdays (Monday thru Friday) That Households Would be Interested in Si View MPD Offering Programs and Activities

by percentage of respondents (multiple choices could be selected)

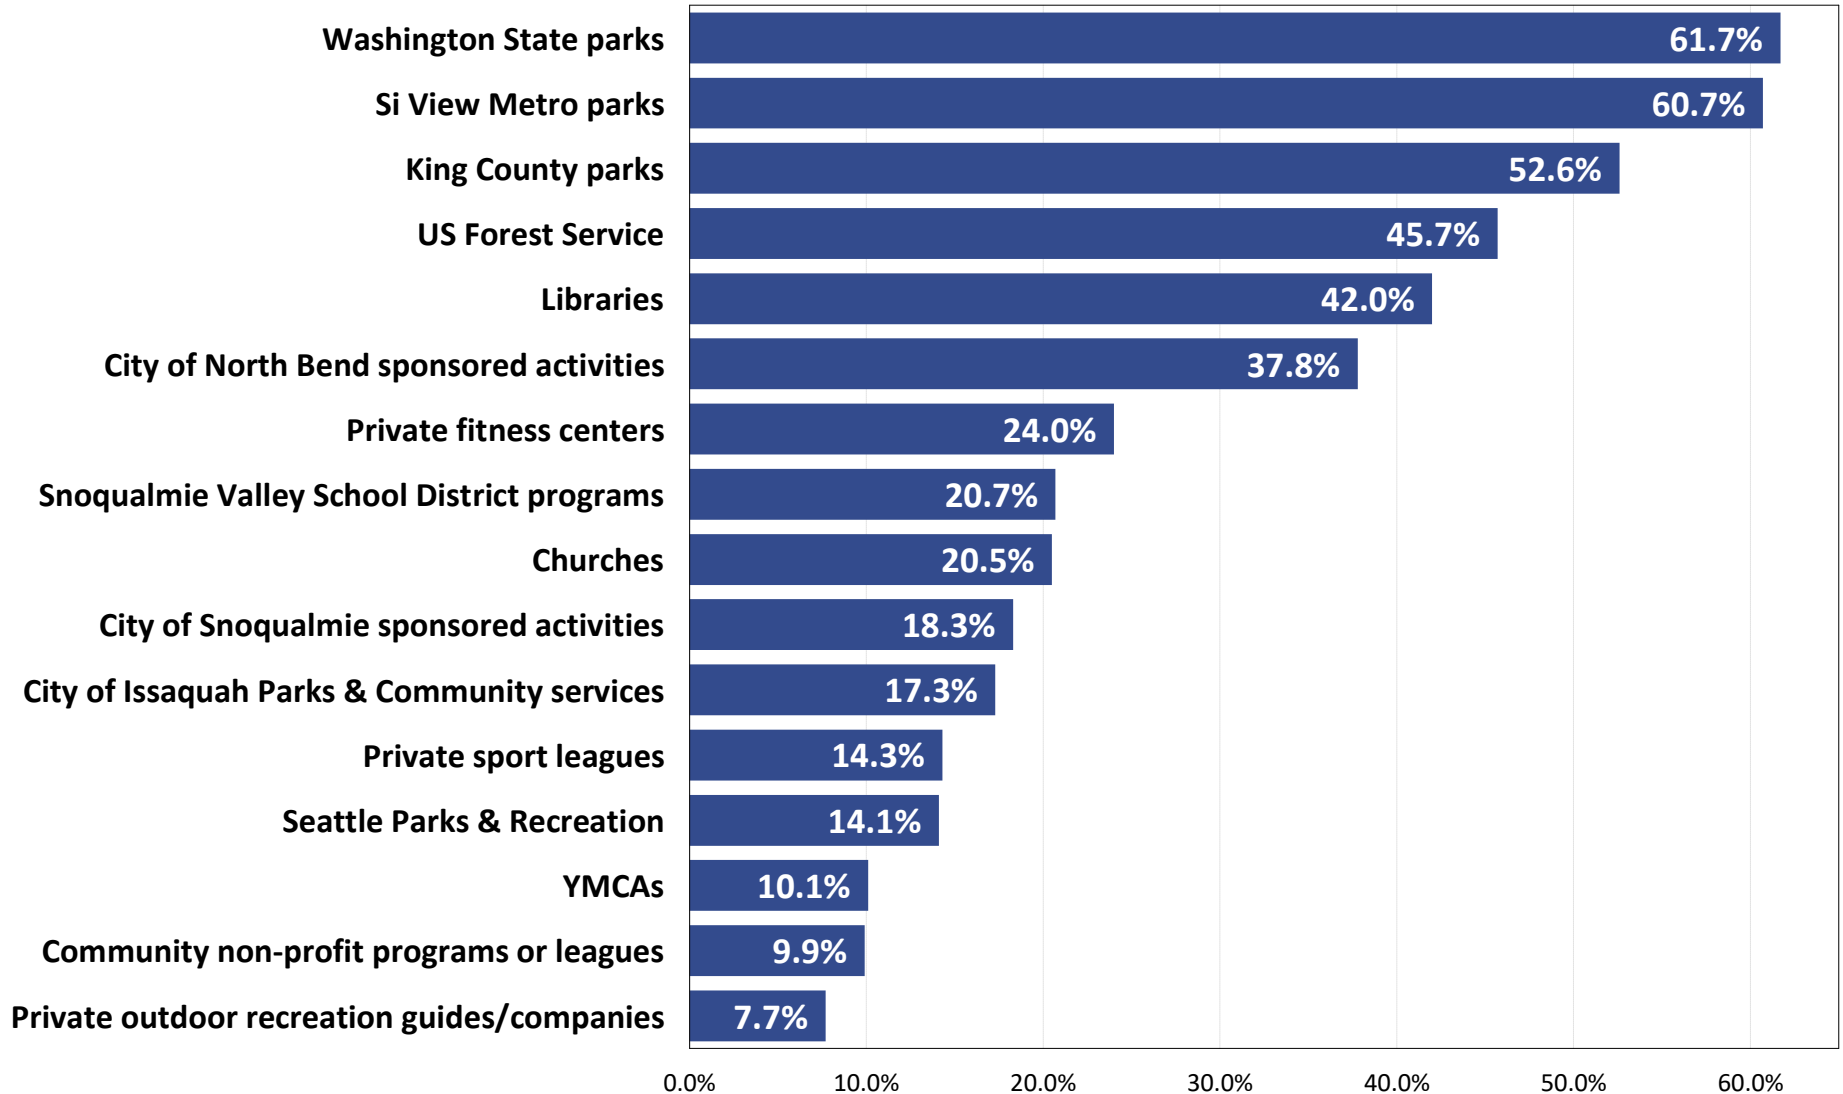

Q6b. Times on Weekends (Saturday and Sunday) That Households Would be Interested in Si View MPD Offering Programs and Activities

by percentage of respondents (multiple choices could be selected)

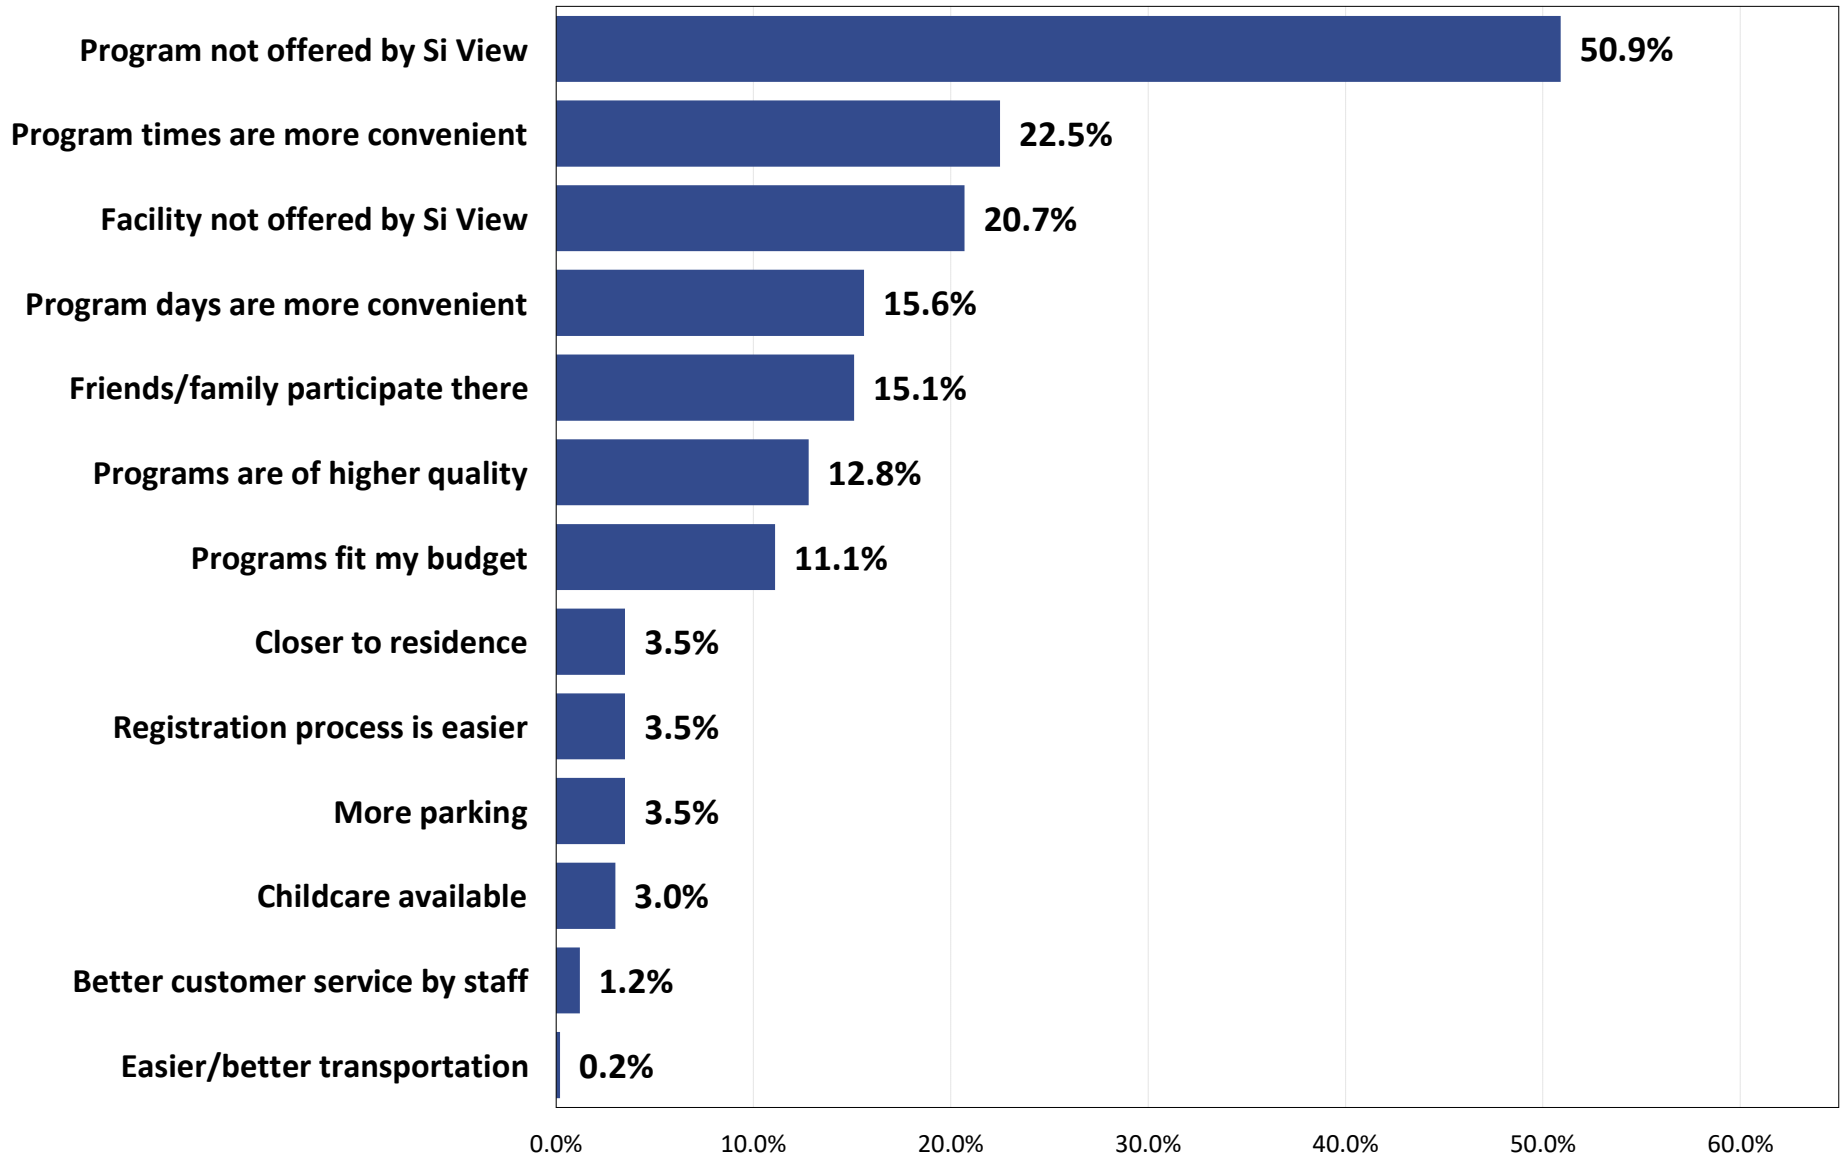

Q7. Organizations Households Have Used for Indoor and Outdoor Recreation Activities During the Last 12-months (Before the COVID-19 Pandemic)

by percentage of respondents (multiple choices could be selected)

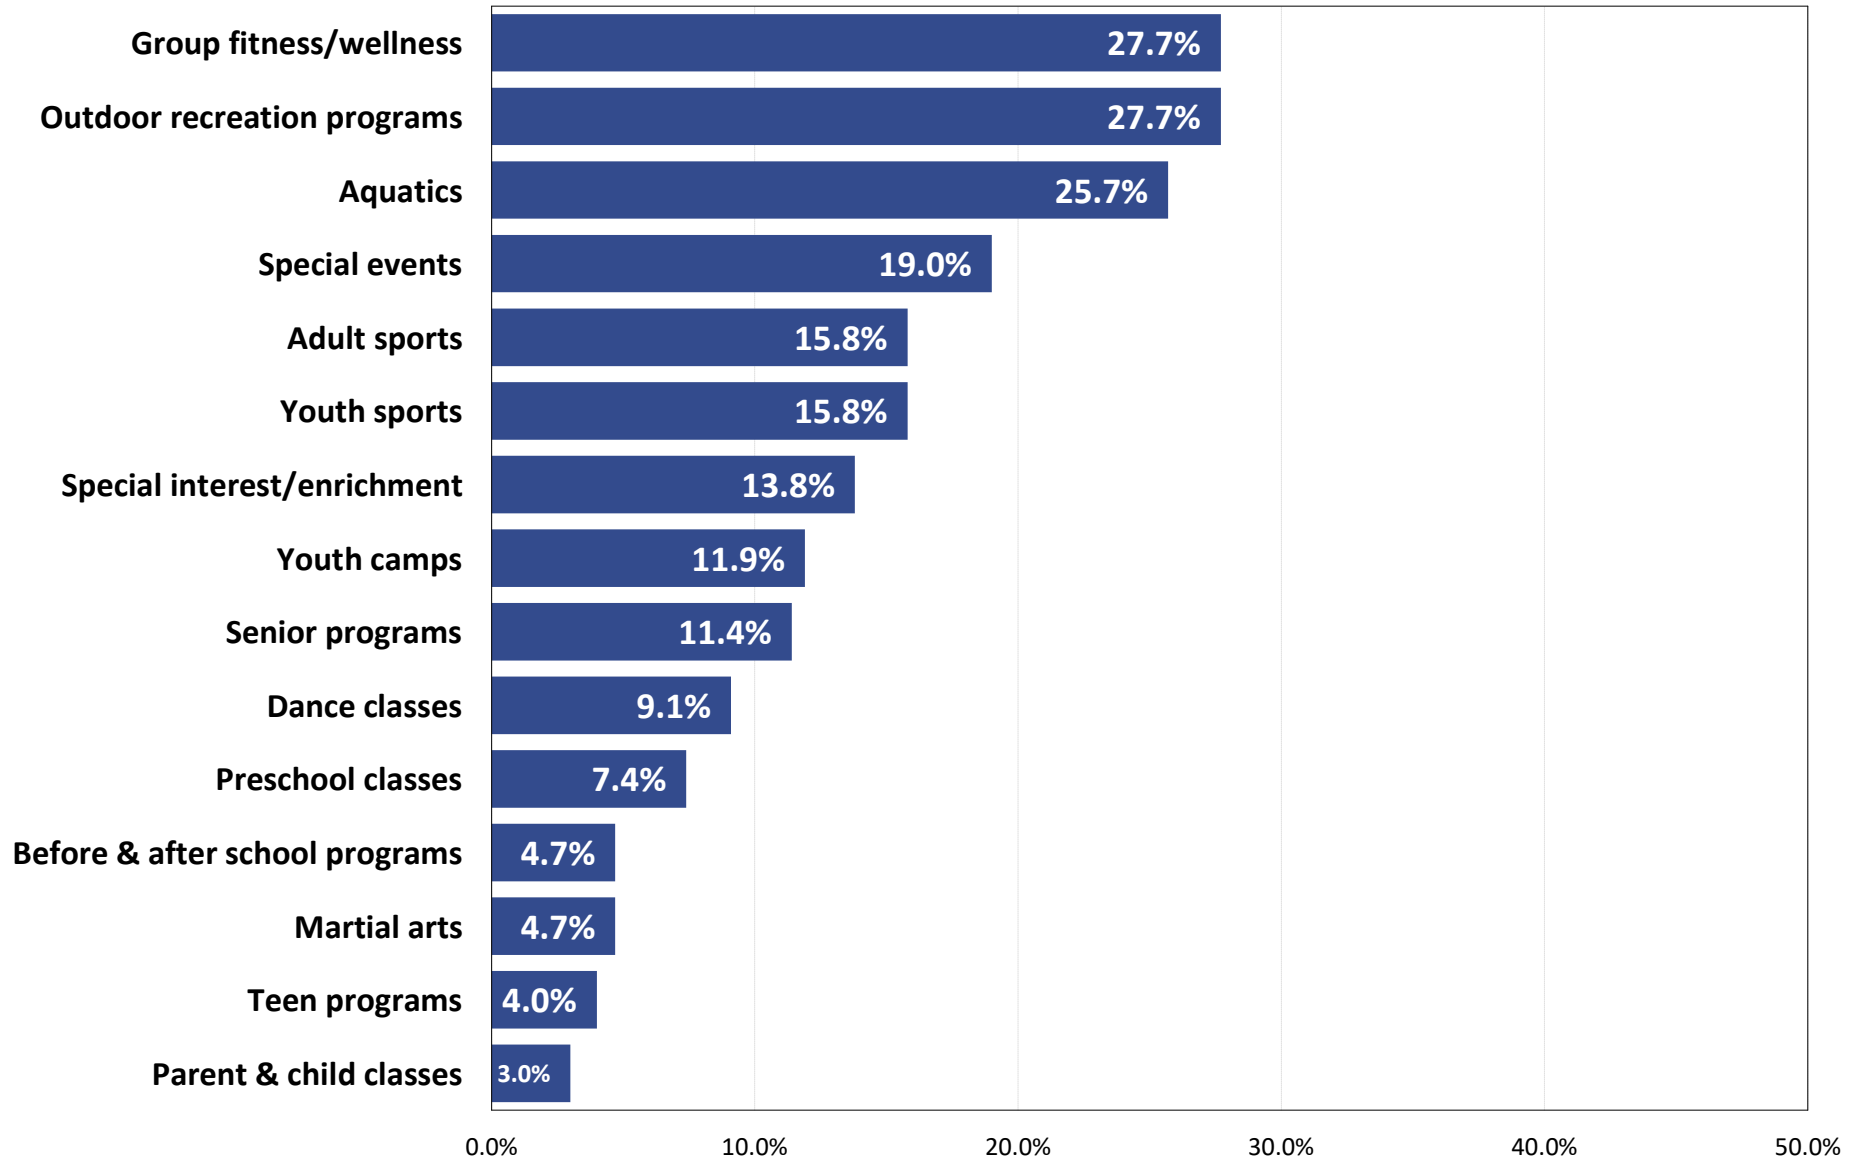

Q7a. Reasons Households Use Organizations Other Than Si View MPD for Indoor and Outdoor Recreation Activities

by percentage of respondents (multiple choices could be selected)

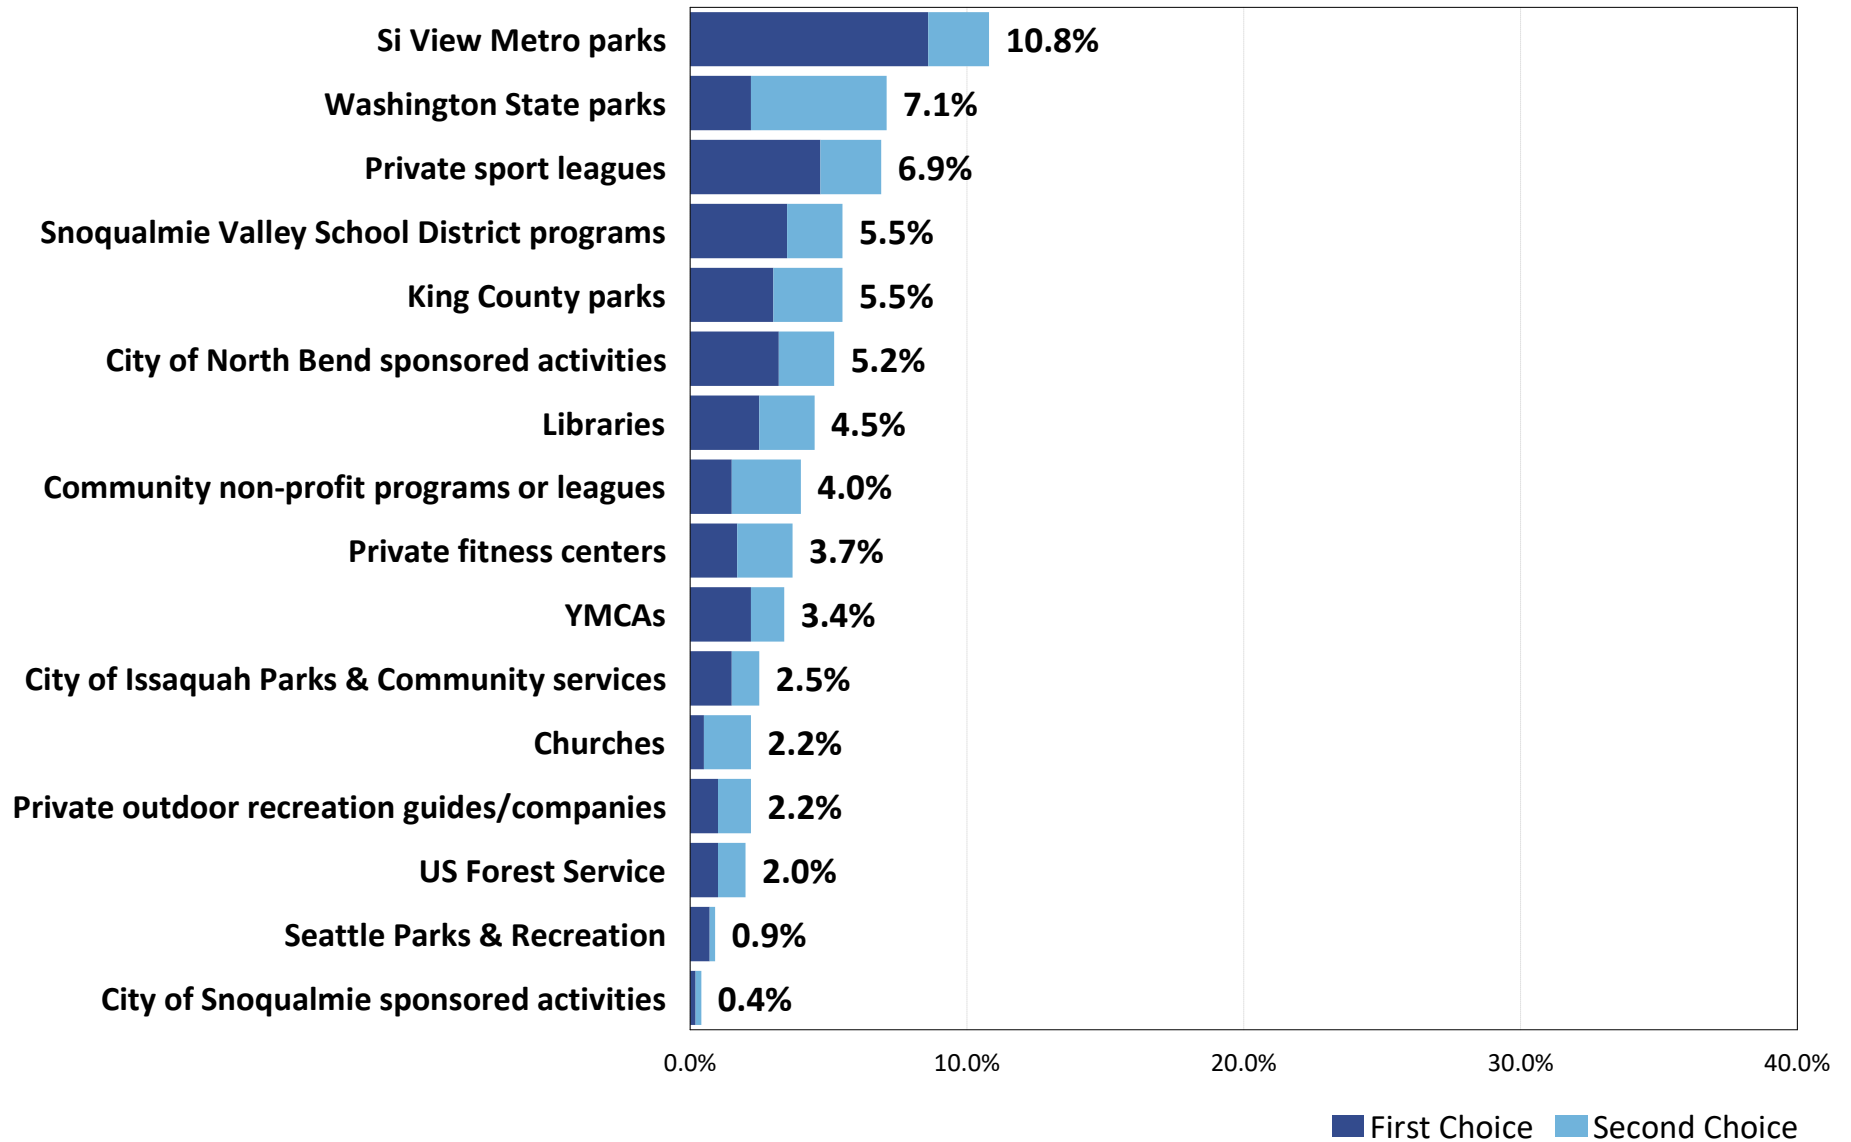

Q7b. Recreation Programs Households Participate in Through Organizations Other Than Si View MPD

by percentage of respondents (multiple choices could be selected)

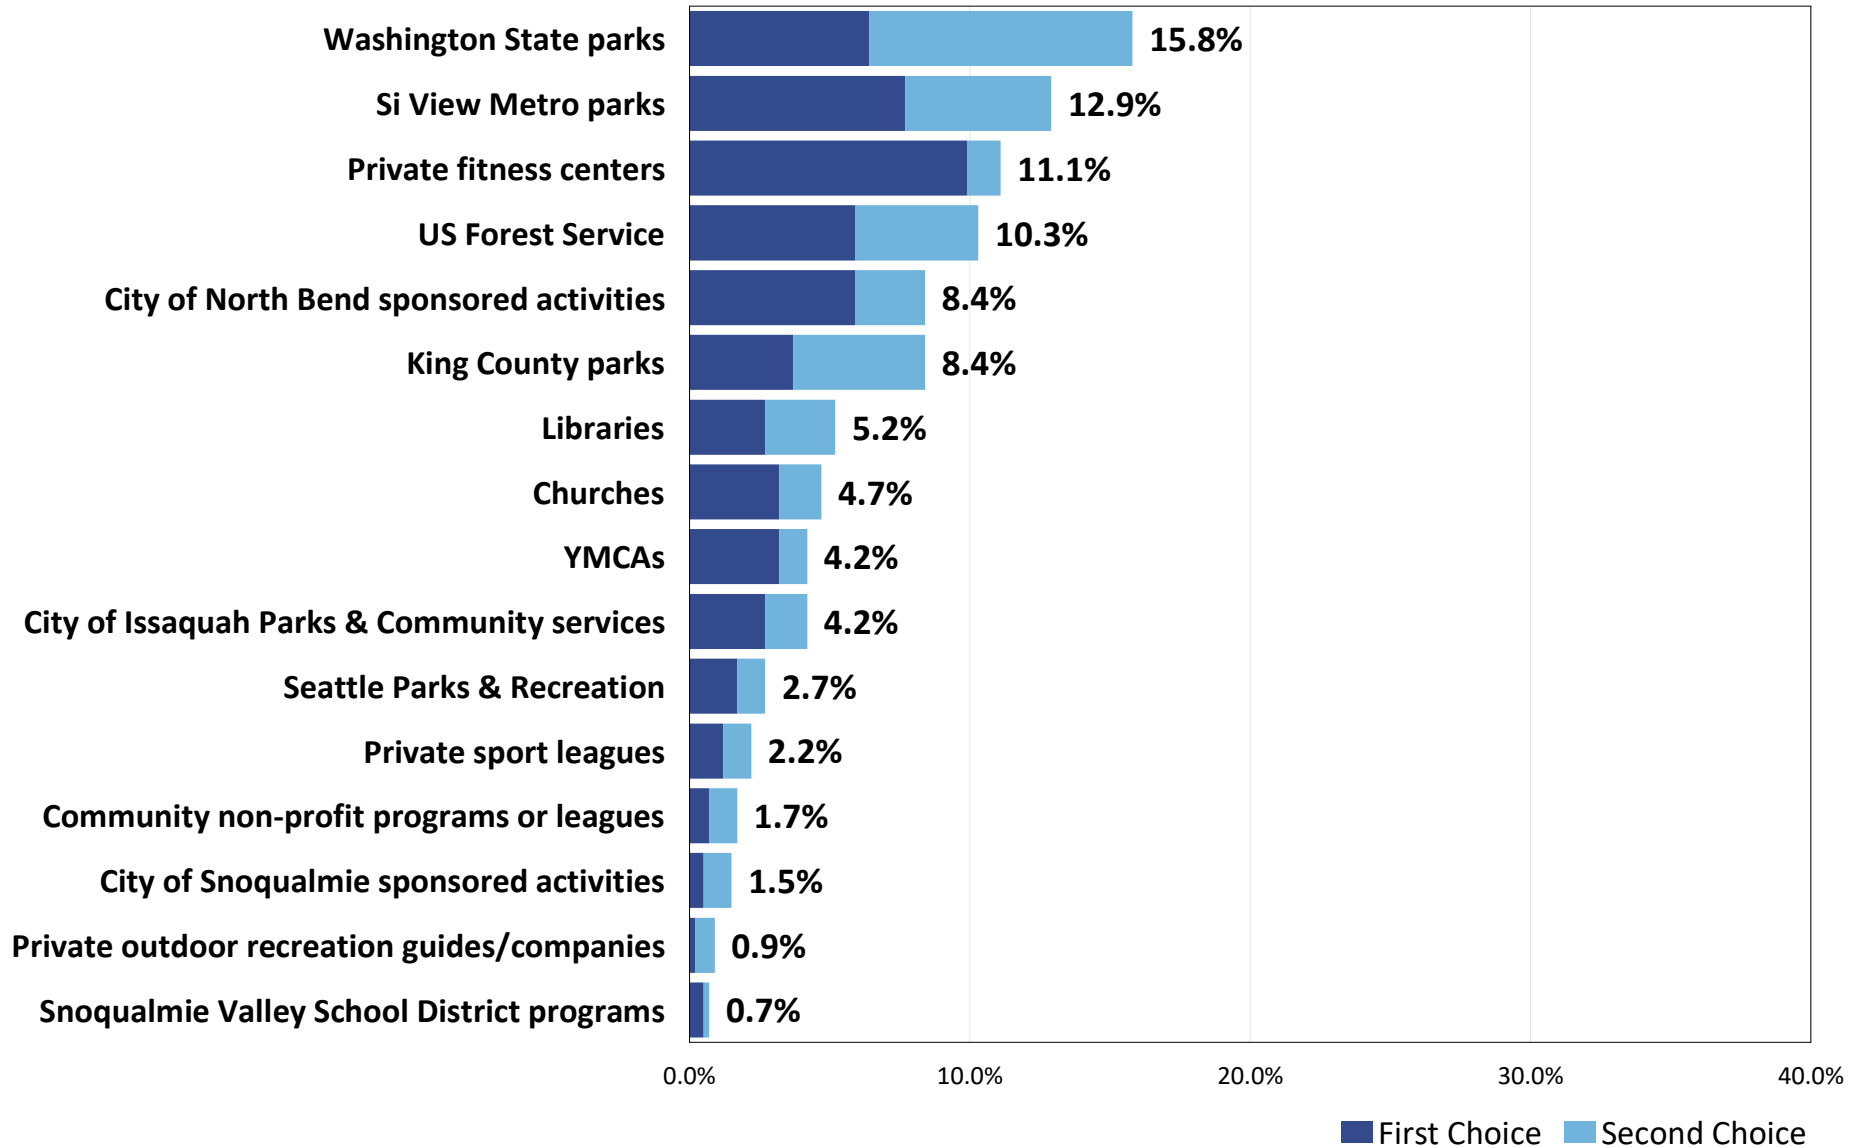

Q7c. Organizations That Households with Members 0 to 17 years Use the Most for Recreation Programs and Services

by percentage of respondents who selected the items as one of their top two choices

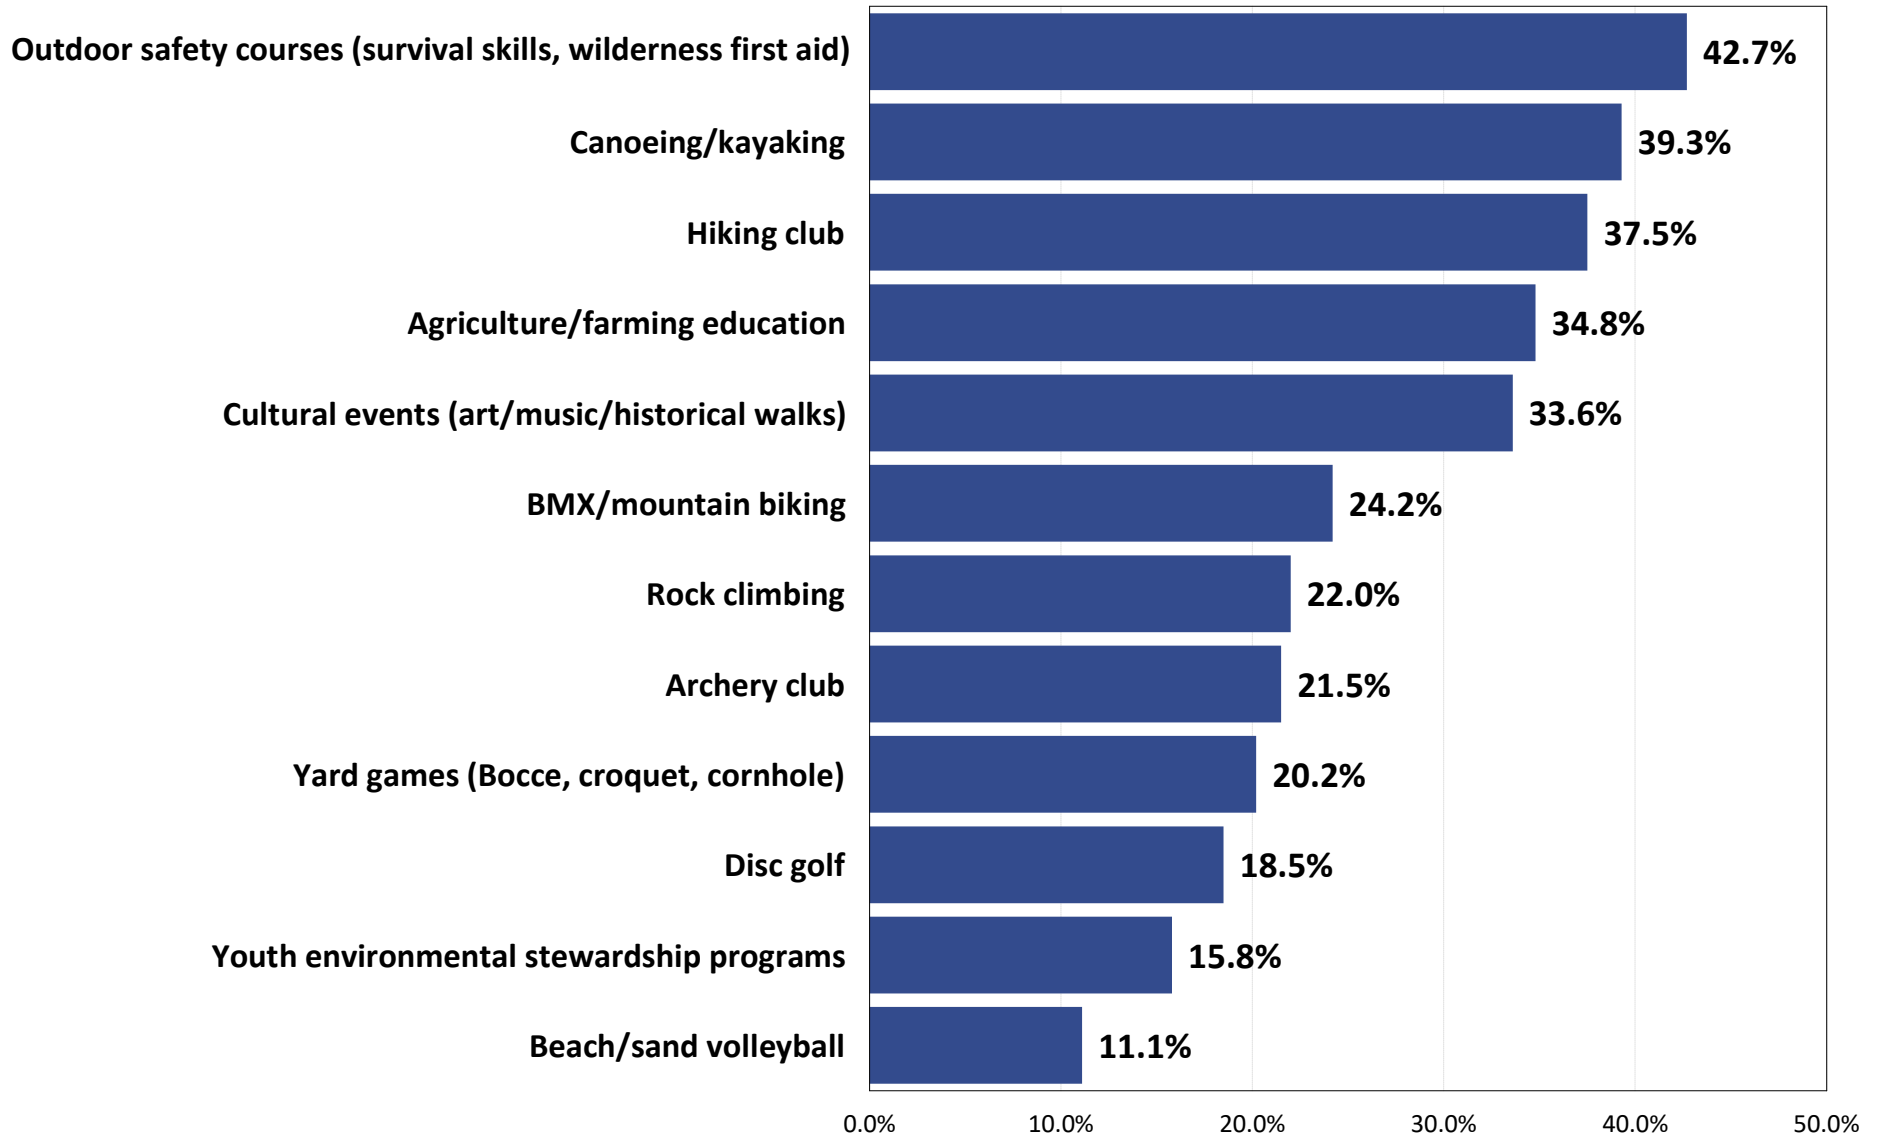

Q7c. Organizations That Households with Members 18 years and Older Use the Most for Recreation Programs and Services

by percentage of respondents who selected the items as one of their top two choices

Q8. Potential Programs, Leagues, Tournaments, and Events You Would Use That Are Currently Not Being Fulfilled by Si View MPD

by percentage of respondents (multiple choices could be selected)

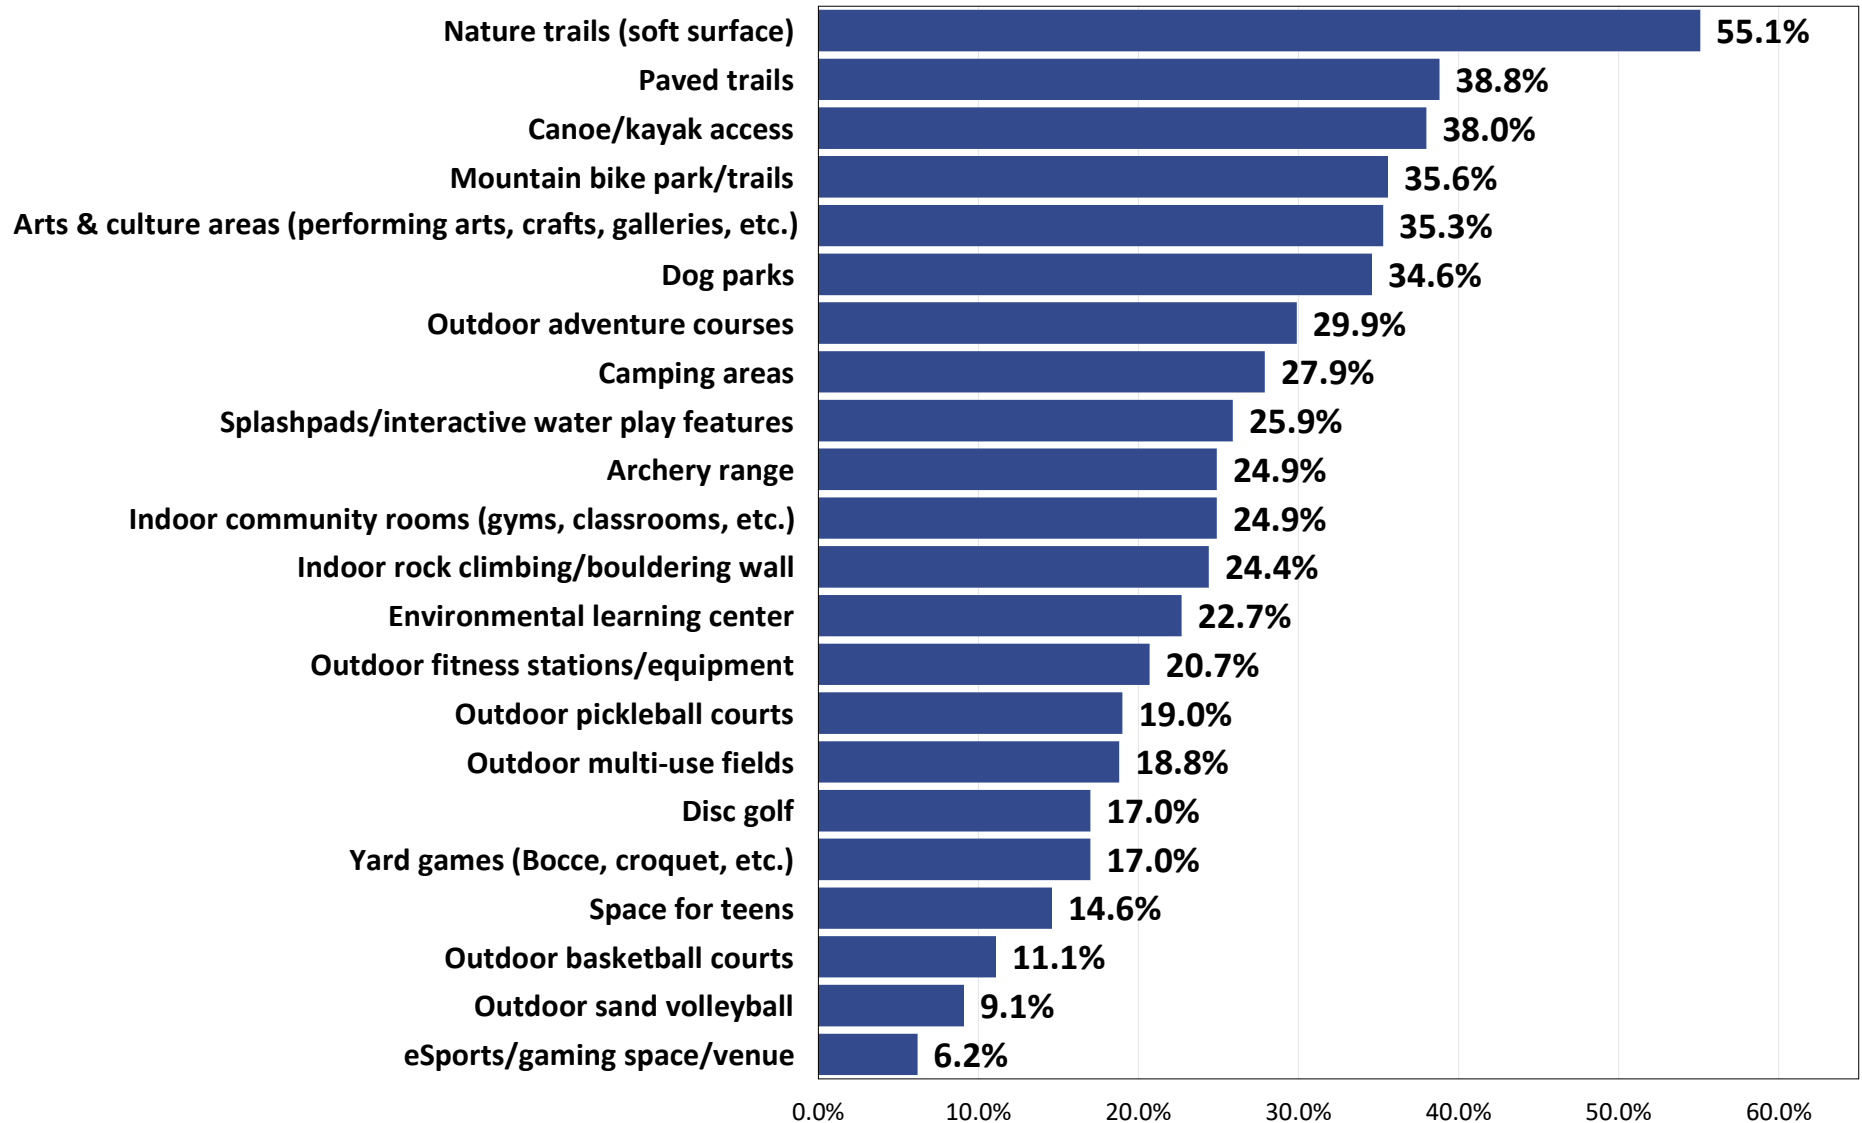

Q9. Programs, Leagues, Tournaments, and Events Households Would Use Most Often

by percentage of respondents who selected the items as one of their top four choices

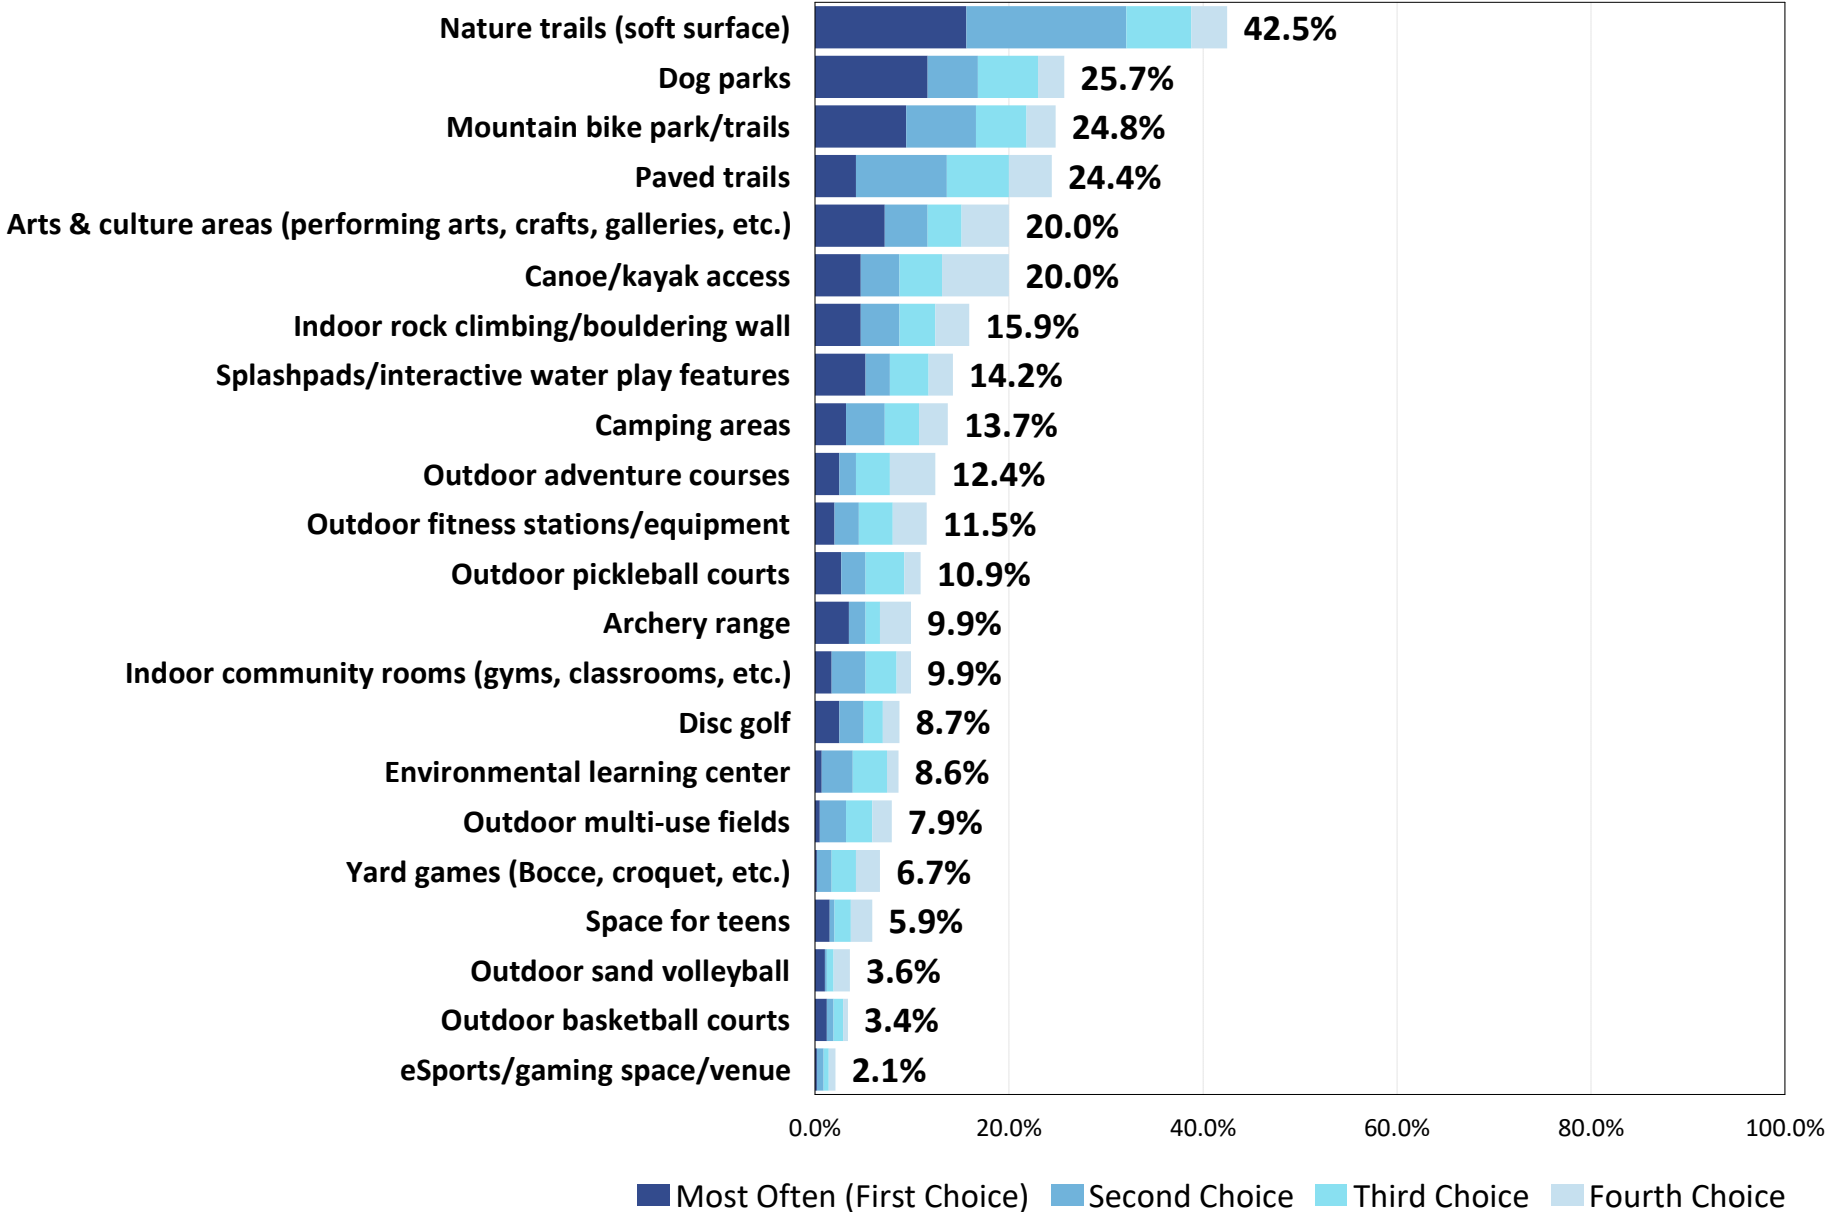

Q10. Potential Programming Spaces Households Would Use if They Were Available

by percentage of respondents (multiple choices could be selected)

Q11. Programmable Spaces Households Would Use Most Often

by percentage of respondents who selected the items as one of their top four choices

Q12. How Valuable of a Contributor Households' Believe Si View MPD is in Addressing Each of the Community Issues

by percentage of respondents using a 5-point scale (excluding *don't knows*)

Si View Metro Parks District (MPD) Community Program Needs

Si View Metro Parks District,
Washington
Needs Assessment
June 2021

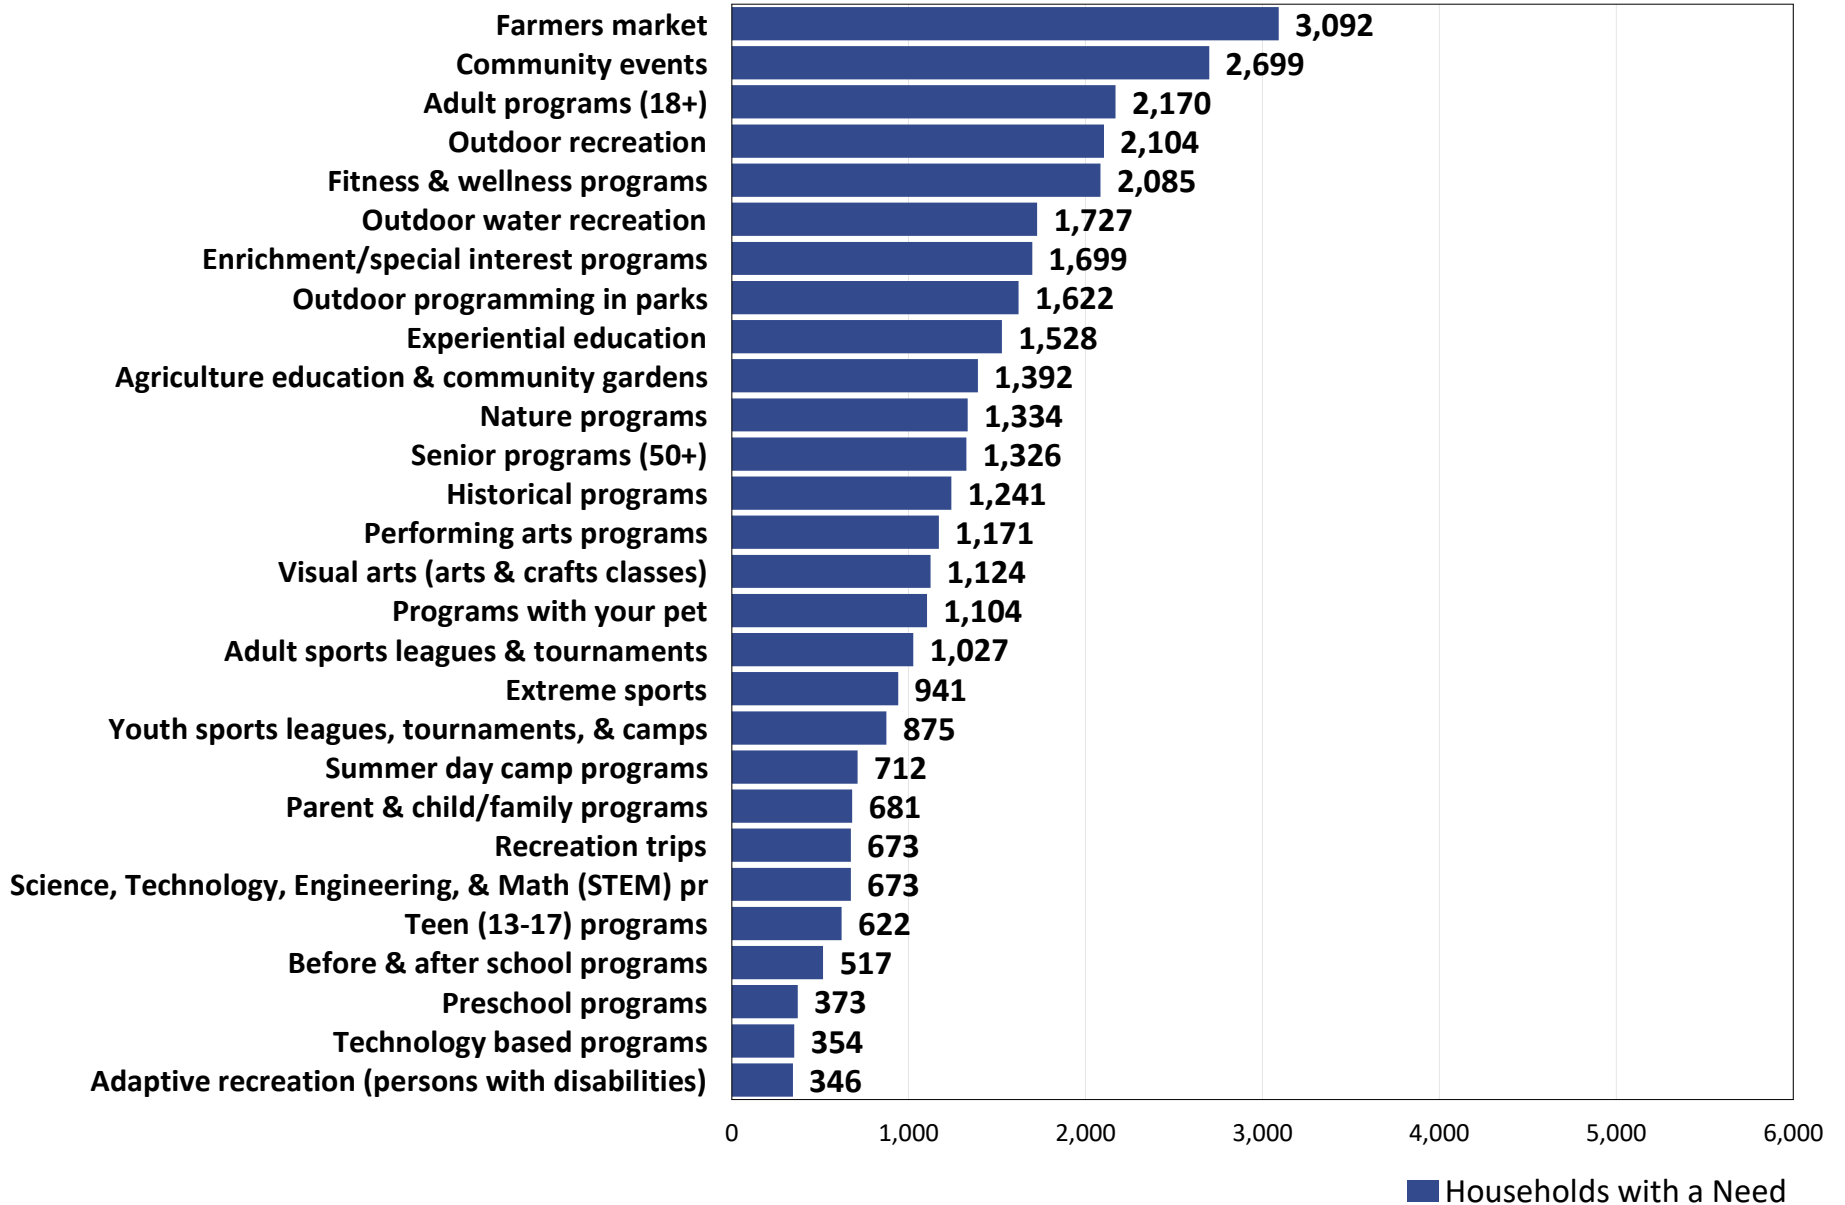

Q13. Residents' Who Have a Need for Recreation Programs

by percentage of respondents

Estimated Number of Households with a Need for Each Recreation Program

by estimated number of households with a need for programs
 (based on the estimated number of 3,889 households in North Bend, WA)

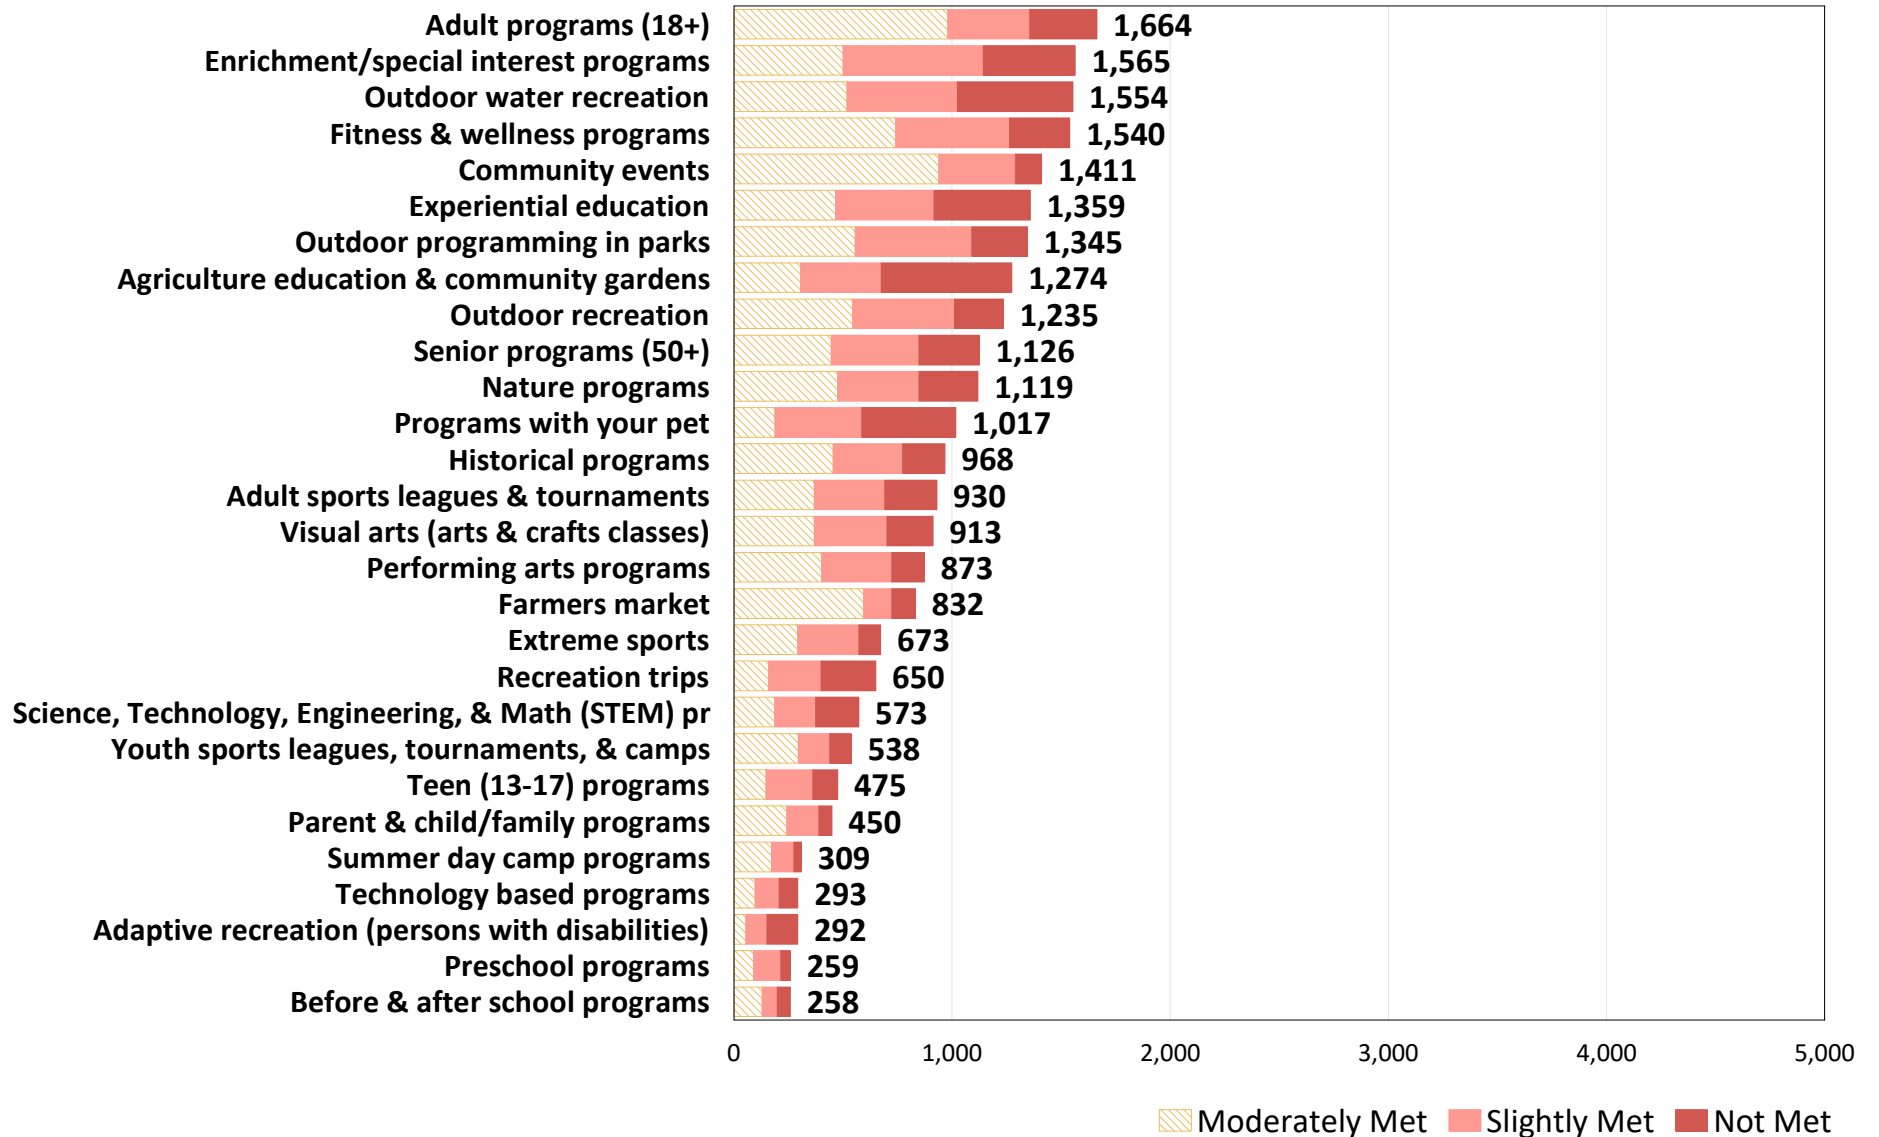

Q13. How Well Residents' Needs for Programs Are Being Met

by percentage of respondents who have a need for programs, using a 5-point scale, where 5 means *completely met* and 1 means *not met*

Estimated Number of Households Whose Needs for Recreation Programs Are Being Moderately to Not Met

by percentage of respondents who have a need/interest for programs
(based on the estimated number of 3,889 households in North Bend, WA)

Q14. Recreation Programs That Are Most Important to Households

by percentage of respondents who selected the items as one of their top four choices

Top Priorities for Investment for Recreation Programs

Based on the Priority Investment Rating (PIR)

Q15. Importance of the Following Recreation Services to Households

by percentage of respondents using a 5-point scale, where 5 means *very important* and 1 means *not at all important*
(excluding *don't knows*)

Q16. Recreation Services Households Think Should Receive the Most Attention From Si View MPD Over the Next Two Years

by percentage of respondents who selected the items as one of their top four choices

Q17. Households' Opinion for What They Believe is the Appropriate Mix of Support From Taxes Versus User Fees for Each Si View MPD Program/Service

by percentage of respondents using a 5-point scale (excluding *don't knows*)

Q18. How Households Would Allocate \$100 Among Categories of Funding for Si View MPD Trails, Parks, and Facilities

by percentage of respondents

Q19. Households' Ratings of Satisfaction with the Overall Value Received From Si View MPD

by percentage of respondents (excluding *don't knows*)

Demographics: Q20. Counting yourself, how many people live in your household?

by percentage of respondents

Demographics: Q21. Counting yourself, how many people in your household are...

by percentage of respondents

Demographics: Q22. What is your age?

by percentage of respondents

Demographics: Q23. Your gender:

by percentage of respondents

Demographics: Q24. Which of the following best describes your race?

by percentage of respondents

Demographics: Q25. How many years have you lived in the Si View Metro Parks District?

by percentage of respondents

Demographics: Q26. What is your total annual household income?

by percentage of respondents

PO Box 346 • North Bend, WA 98045 • 425-831-1900 • www.siviewpark.org

March 2021

Dear Si View Metro Parks Resident:

A Few Minutes of Your Time Will Shape the Future of Snoqualmie Valley Recreation Programs

Si View Metro Parks is conducting a community priorities survey and needs to hear from you. Your household was selected at random to receive this survey, therefore, it is very important that you participate. This survey will be used to develop a Recreation Program Plan for Si View Metro Parks to define strategies, services, and future direction for public recreation programming intended to meet the needs of the growing community.

We hope you will take a few minutes to participate in this survey. We understand that you are busy, and appreciate you taking the time to help shape the future of recreation programming we provide the residents of the Snoqualmie Valley.

Please complete and return your survey within the next two weeks. We have selected ETC Institute, a national research firm, as our partner to administer this survey. They will compile the data received and present the results later this year. Your responses will remain completely anonymous and confidential. We encourage you to complete the survey online at SiViewParksSurvey.org. Alternatively, you may complete the enclosed printed version and return it in the postage-paid, return-reply envelope.

We understand that “normal” for our community has changed over the last year as a result of the COVID-19 pandemic. The Si View Recreation Program Plan is a long-range planning tool, preparing us to meet your recreation needs when the crisis is over and beyond – for the next six years.

Thank you in advance for your participation in this important survey that will benefit all residents. If you have any questions, please contact Travis Stombaugh, Executive Director at 425-831-1900 or tstombaugh@siviewpark.org.

Sincerely,

Travis Stombaugh
Executive Director

Community Interest and Opinion Survey

Let your voice be heard today!

Si View Metro Parks (Si View MPD) would like your input to help determine recreation priorities for our community. This survey will take 10-15 minutes to complete. When you are finished, please return your survey in the enclosed postage-paid, return-reply envelope or fill it out on-line. We greatly appreciate your time!

1. Have you or other members of your household typically participated in any programs offered by Si View MPD (before the COVID-19 Pandemic)?

___(1) Yes [Answer Q1a-c.] ___(2) No [Skip to Q2.]

1a. Approximately, how many different programs offered by Si View MPD have you or members of your household typically participated in (before the COVID-19 Pandemic)?

___(1) 1 program ___(3) 4 to 6 programs ___(5) 11 or more programs
 ___(2) 2 to 3 programs ___(4) 7 to 10 programs

1b. How would you rate the overall quality of Si View MPD programs that you or members of your household have typically participated in?

___(1) Excellent ___(2) Good ___(3) Fair ___(4) Poor

1c. Based on you and your household's typical use of Si View MPD programs (before the COVID-19 Pandemic), what would best describe your anticipated participation during the next 12 months?

___(1) Less ___(2) Same ___(3) More ___(4) Unsure

2. Please CHECK ALL the ways you learn about Si View MPD programs and activities.

28. Youth sports leagues, tournaments, and camps	Yes	No	5	4	3	2	1
29. Other: _____	Yes	No	5	4	3	2	1

- 14. Which FOUR of the programs from the list in Question 13 are MOST IMPORTANT to your household? [Write in your answers below using the numbers in Question 13, or circle "NONE."]**

1st: ____ 2nd: ____ 3rd: ____ 4th: ____ NONE

15. Please rate how important each of the following recreation services are to you and members of your household.

Services	Very Important	Important	Neutral	Not Important	Not at all Important	Don't Know
01. Availability of information about Si View MPD programs, facilities, and parks	5	4	3	2	1	9
02. Selection/diversity of recreation programs	5	4	3	2	1	9
03. Quality of recreation programs	5	4	3	2	1	9
04. Maintenance of parks	5	4	3	2	1	9
05. Number of trails/pathways	5	4	3	2	1	9
06. Quality of trails/pathways	5	4	3	2	1	9
07. Number of parks	5	4	3	2	1	9
08. Number of natural areas	5	4	3	2	1	9
09. Number of traditional playgrounds	5	4	3	2	1	9
10. Quality of traditional playgrounds	5	4	3	2	1	9
11. Number of nature-based playgrounds/playscapes	5	4	3	2	1	9
12. Quality of nature-based playgrounds/playscapes	5	4	3	2	1	9
13. Amount of indoor recreation space	5	4	3	2	1	9
14. Community special events	5	4	3	2	1	9
15. Ease of registering for programs	5	4	3	2	1	9
16. Rental of shelters or meeting rooms	5	4	3	2	1	9
17. Park/facility accessibility (ADA compliant access)	5	4	3	2	1	9
18. User friendliness of Si View MPD website	5	4	3	2	1	9
19. Fees charged for recreation programs	5	4	3	2	1	9
20. Staff customer service	5	4	3	2	1	9

16. Which FOUR of the recreation services listed in Question 15 do you think should receive the most attention from Si View MPD over the next TWO years? [Write in your answers below using the numbers in Question 15, or circle "NONE."]

1st: ____ 2nd: ____ 3rd: ____ 4th: ____ NONE

17. For each item listed below, please indicate what you believe is the appropriate mix of support from taxes versus user fees for each program/service provided by Si View MPD.

Name of Program/Service	Taxes Pay More	•	Even Mix of Tax Support and User Fees	•	Users Pay More
01. Adaptive recreation (persons with disabilities)	5	4	3	2	1
02. Adult classes (ballroom dance, art, etc.)	5	4	3	2	1
03. Adult sports	5	4	3	2	1
04. Before and after school programs/summer camps	5	4	3	2	1
05. Family programs (indoor playground, family fun days)	5	4	3	2	1
06. Fitness and wellness classes	5	4	3	2	1
07. Outdoor recreation classes and trips	5	4	3	2	1
08. Preschool classes	5	4	3	2	1
09. Special events (farmers market, movies/concerts in parks)	5	4	3	2	1
10. Swim lessons	5	4	3	2	1
11. Teen programs	5	4	3	2	1
12. Youth classes (dance, art, enrichment)	5	4	3	2	1
13. Youth competitive sports	5	4	3	2	1
14. Youth recreational sports	5	4	3	2	1

18. How would you prioritize \$100 (breakout) for Si View MPD trails, parks, and facilities? Please show how you would allocate the funds among the categories of funding listed below in specific dollar amounts. [Please be sure your total adds up to \$100.]

- \$ _____ Improvements/maintenance of existing parks and facilities
- \$ _____ Acquisition of new park land and open space
- \$ _____ Construction of new park amenities (playgrounds, bathrooms, shelters, etc.)
- \$ _____ Acquisition and development of pathways and greenways (walking and biking trails)

\$100 total

19. Please rate your satisfaction on a scale of 1 to 5, where 5 means "Very Satisfied" and 1 means "Very Dissatisfied," with the overall value your household receives from Si View MPD.

- ____(1) Very satisfied
- ____(2) Satisfied
- ____(3) Neutral
- ____(4) Dissatisfied
- ____(5) Very dissatisfied
- ____(9) Don't know

Demographics

20. Counting yourself, how many people live in your household? _____ people

21. Counting yourself, how many people in your household are...

- | | | | |
|----------------------|--------------------|--------------------|--------------------|
| Under 5 years: _____ | 15-19 years: _____ | 35-44 years: _____ | 65-74 years: _____ |
